

Service Act, it would appear that the authority of Your Excellency in Council is necessary to admit of his being allowed to contribute to the above fund.

The undersigned knows of no objection, however, to such authority being given, and he, therefore, respectfully recommends that Mr. Campbell's request be complied with, and that the contributions to be made by him to the said fund date ~~from the date~~ <sup>from the time when</sup> he was first employed in the Outside Service of the Dept. of I. A. viz. the 2<sup>nd</sup> day 1885. The undersigned thinks, however, that the whole question of allowing the employes of the Dept. to come within the Super<sup>n</sup>. Act should be considered by ~~the~~ <sup>the</sup> Council.
