Ottawa, 15th October, 1909.

Rev. Sir,-

Ven. Archdeacon Phair has requested that a small supply of simple remedies be placed in the hands of Mr. Leonard Hart who is being sent to take charge of the Jack Head River School. The following medicines are asked for, viz:-Senna, ginger, cough mixture, ear-ache drops, tooth-ache drops, and eye-water.

Will you kindly order from The Bole Drug Co. what quantities of these drugs are considered necessary for the needs of Jack Head Band and arrange to forward them to the Reserve.

Mr. Hart offered to take the drugs out with him and you should ascertain from Archdeacon Phair whether he has left Winnipeg yet.

Your obedient servant,

Asst. Secretary.
