

PILES CURED.

Waltham, Mass.

I would like to add my testimony in reference to the great benefit to be derived from the famous Abenakis Springs Water. I had been a great sufferer for a long time from constipation and piles, and after stopping at your house for two weeks and drinking freely of the water I found my health greatly improved and that I have gained six pounds of flesh. I also gained eight pounds directly after coming away. Months have passed since then, and I find myself entirely cured from the effects of indigestion and piles, and I am a new man in health. I can recommend it as a safe and permanent cure for all such diseases.

Yours respectfully,

G. S. HALL.

INFLAMMATORY RHEUMATISM CURED.

Montreal, August 8.

It is with pleasure that I recommend anything that I know beneficial to mankind. Accordingly, I am glad to add my testimony to the many already given as to the wonderful effects of the Abenakis Waters. For four years I had been a perfect martyr to inflammatory rheumatism, my joints being all swollen and very much enlarged. Year after year, while attending college, I was treated by the best physicians in Montreal, but all they could do was to alleviate the pain. All efforts towards curing me were futile. I tried mineral waters in other places, but with no beneficial results. As a last resort, in July, I came to the Abenakis Springs and remained for four weeks. To my surprise and joy I found myself completely cured. I have now been two years enjoying complete freedom from rheumatism.

The boating facilities at the Abenakis Springs, the clear pure air, and the good comfortable hotel all combined, makes the Abenakis Springs one of the most beautiful and healthy summer resorts of Canada; also its medicinal properties make it a great boon to those suffering from rheumatism.

Yours very sincerely,

W. D. REID, B.D., B.A.,

Pastor of Victoria Church,
