nd the cool-

ness between us is gradually diminishing. But
the boat is moored at both ends and twice a
day I look to see if the ropes are all right.

The petunias are growing beautifully, but the
geraniums do not seem to flourish. Perhaps there
is not a sufficient depth of earth for them. Seve-
ral times our boarder has appeared to be on the
point of suggesting something in regard to them,
but, for some reason or other he says nothing.
