READ THIS OFFER!

\$2.50 value for \$1.50

Canadian Good Housekeeping, a \$1.50 magazine, and *The Farming World*, \$1.00 a year, both for \$1.50. We are now prepared, for a short time only, to make this wonderful offer. *The Farming World* is without doubt the best agricultural paper in Canada, and Canadian Good Housekeeping the best household magazine. Certainly both should be in every home. Together they fill every want, and with these two magazines other reading matter is unnecessary.

Remember, for \$1.50 we will send both magazines for one year to any address.
