MARKET REVIEW AND FORECAST

Toronto, Monday, March 13-leasy roads in country sections and small remittances from country merchants are keeping business dull in wholesale lines but not to a greater extent than in other years. Madress men state that trade is on a safe shades men state that trade is on a safe that the coming season are excellent. Reports from country sections indicate that more cove will be milted this season than here-tofore and that stock came through and whiter in speciallic condition.

winter in spendid condition.

"early-dry talk still holds first place in jusiness circles. Although the bill failtile season recently talk dates Senate in it becoming law in the extra session, callde for April 4th, are bright.
