The Habits he Forms NOW will determine his future character

**IF YOUR** boy earns his own pocket money, he will appreciate it better and spend it more wisely than if given to him.

Besides, he will learn the useful lesson that "Industry Pays," and will put in his idle hours usefully and profitably, instead of getting into bad company and mischief.

**Make him a Farmer's Advocate boy!** Let him start getting subscriptions for "The World's Greatest Farm Paper." Help him yourself; get the neighbors to help him; let us help him.

## AGRICULTURAL LIME

The farmers of England have limed their meadows and pasture lands in the fall for hundreds of years. Why? You lime yours and the question will be answered; also lime your plowed clay land this fall. You will find it more tillable and earlier to get on to. That means earlier seeding, and be sure to seed clover where you put lime. Write us for prices, if we have no agent in your locality.
