Hewitt, 61 Front street east, Toronto, and mentioning the "Advocate," you can get a fine cook book, containing 262 recipes, sent to your address, absolutely free of charge. SPECIALTIES FOR STOCKMEN.—It is in a spirit of fair play that the old-established stockman's supply house of F. S. Burch & Co. (whose advertisement will be found in our columns) are soliciting the support of owners of live stock. Their leading specialties are sufficiently well known throughout the States, among the most important being their non-poisonous Milk Oil Sheep Dip, Summers Worm Powders, ear labels and markers. Many other articles are offered by this firm, and our readers should send for their new illustrated catalogue, in which, no doubt, will be found ample testimony of the value of the respective preparations.

NEW VETERINARIANS.—At the closing exercises of the Ontario Veterinary College in Toronto, on March 27th, Prof. A. Smith, B. Sc., D. V., Principal, took the chair, and addresses were delivered by Mayor Howland, Prof. Mayor, and Prof. Lang, of the Toronto University; Mr. W. R. McNaught, President of the Toronto Industrial Exhibition, and Dr. Duncan, M. D., Mayor Howland congratulated the Principal upon his success in conducting the College, there were some seventy graduates, representing Great Britain, Newfoundland, the United States, and Canada.

IDEAL FENCING.—McGregor, Bannell & Co., Windsor, Ont., announce that they have embarked in the manufacture of woven wire fencing, with ample up-to-date machinery. They have issued a catalogue which freely describes the excellencies of their fencing, with which readers would do well to familiarize themselves by obtaining a copy.

SUCCESS WITH THE BLOWER.—The Thom Implement Works, Watford, Ont., were pioneers in the introduction of the blower elevator in filling silos, demonstrating the practicality of doing so with farm power for two horses upward. It is very gratifying, therefore, to that firm to receive such letters as the following:

The No. 13 blower and ensilage cutter I purchased from you two years ago is giving the best of satisfaction. The first year I got a 10-horse-power steam engine to run it, as I thought it required steam power; but last year I could not get an engine, so had to resort to my two-horse team power, and it handled it far above my expectations, having harvested 13 acres of heavy corn in a little less than five days, elevating to a height of 22 feet, and without chocking once in that time. I used a seven-inch-diameter leather-covered pulley. I might say we have been silo-filling for fifteen years now, and in that time we never handled the same amount of corn in so short a time and with so little help as we did last year with the two-horse tread power and the No. 13 blower.
Yours truly,
W. McCORMICK.

I Will Cure You of Rheumatism

No pay until you know it.
After 2,000 experiments, I have learned how to cure rheumatism. Not to turn bony joints into flesh again; that is impossible. But I can cure the disease always, at any stage, and forever.

I ask for no money. Simply write me a postal and I will send you an order on your nearest druggist for six bottles of Dr. Shoop's Rheumatic Cure, for every druggist keeps it. Use it for a month, and if it does what I claim, pay your druggist \$5.50 for it. If it doesn't, I will pay him myself.

I have no samples. Any medicine that can affect Rheumatism with but a few doses must be drugged to the verge of danger. I use no such drugs. It is folly to take them. You must get the disease out of the blood.

My remedy does that, even in the most difficult, obstinate cases. No matter how impossible this seems to you, I know it and I take the risk. I have cured tens of thousands of cases in this way, and my records show that 39 out of 40 who get those six bottles pay, and pay gladly. I have learned that people in general are honest with a physician who cures them. That is all I ask. If I fail I don't expect a penny from you.

Simply write me a postal card or letter. Let me send you an order for the medicine. Take it for a month, for it won't harm you anyway. If it cures, pay \$5.50. I leave that entirely to you. I will mail you a book that tells how I do it.

Simply state which book you want and name of your dealer, and address
Dr. SHOOP, Box 52, Racine, Wis.
