# Binder Twine

HARVEST OF 1903.

THIS COMPANY has again set its prices on Binder Twine for the harvest of 1903. It may well be said we lead the way. The duty of every intelligent Canadian farmer in this deal is easily defined. For ten years we have put up a good fight in the interests of co-operation, and have absolutely regulated the price charged you for Binder Twine in every locality where we have made a shipment. If you want us to continue this same deal, give us your undivided loyalty and patronage. Don't order or buy a single pound of twine from any other concern until you know this Company's is actually exhausted. If we fail to have a farmer agent in your district, give us the name of a good man or two, and we will immediately make the appointment.

You have it in your power, as Canadian agriculturists, to say whether this organization is to continue or not. No other element or opposition can pull down our standard. The country is in danger from trusts. Farmers, you are up against it.

JOSEPH STRATFORD,  
General Manager.
