

## MITHS' OVARY TONIC MAKES HENS LAY

Your hens will lay all the year round, if you will give them Smith's Ovary Tonic once a week.

One teaspoonful to four fowls keeps hens healthy—strengthens and invigorates the egg-producing organs—and renews wasted tissue due to prolific laying.

Only 25c. and 50c. a bottle. Sold by druggists, grocers, etc.

NATIONAL DRUG & CHEMICAL CO., LIMITED, MONTREAL.

## Unreserved Sale of Rawlinson Bros. Hackneys.

In consequence of MESSRS. RAWLINSON BROS. having sold their ranch, and who are leaving the country, their entire stock of highly-bred pedigree Hackneys must be disposed of, and will be sold by auction in JULY next, at the ranch, 11 miles west of Calgary. The pedigree Hackneys consist of 3 IMPORTED STALLIONS, 6 HOME-BRED STALLIONS, 48 BROOD MARES, 12 FOUR-YEAR-OLD FILLIES, 9 THREE-YEAR-OLD FILLIES, 8 TWO-YEAR-OLD FILLIES, 12 YEARLING FILLIES, 3 THREE-YEAR-OLD HEAD OF UNREGISTERED MARES, FILLIES AND GELDINGS. Nearly all the best mares the champion Robin Adair ever got in this stud are included in this sale, together with the full sisters to Saxon, Pridilla and Minona, who won everything in sight at all the eastern shows, including the championships of both sexes at the St. Louis World's Fair. It is the greatest collection of high-class Hackneys that is ever likely to be offered again in Canada for many years. Catalogues of sale will be ready for distribution on June 1st, 1907, and may be obtained from

Jordison Bros., Auctioneers, P. O. Box 1172, Calgary, Alta.

No. 10 Piano Box Buggy  
Price \$57.00.

## Buy at First Hand

Deal with us direct and secure handsome, well-made, latest style carriages and high-grade harness at first cost. Dealers' profits cut off.

**International Carriage Co.,**  
BRIGHTON, ONTARIO.

## Clydesdale Horse Ass'n of Canada

Application forms, transfer blanks, etc., for registration, can be obtained by addressing **Accountant, National Live-Stock Records, Department of Agriculture, Ottawa.** Send applications for registration to the above address. Letters to the above will pass free of postage by placing the letters O. H. M. S. in place of postage stamp. All breeders are recommended to attend to registration matters early, as information and evidence are more difficult to obtain as time passes. Address all other correspondence to

**J. W. SANGSTER, Secretary, Temple Building, Toronto.**

## Tudhope Carriages

It's a mighty comfortable feeling to know that the carriage you buy has a 50 years reputation behind it.

There's no likelihood of there being any cause for complaint against a Tudhope Carriage. But if there should be, you have the guarantee of a firm that has been in business, right here in Canada, since 1855.

### TUDHOPE NO. 3

A great favorite all over Canada. Light—easy running—with rubber tires if desired. Gear, wheels and shafts best hickory. Complete with lined rubber apron, wrenches, quick shifters and 2 sets of washers. Detailed description in our free illustrated catalogue. Write for it.

THE TUDHOPE CARRIAGE CO., Ltd. ORILLIA, Ont.

## NOTICE!

A special meeting of the **CLYDESDALE HORSE ASSOCIATION OF CANADA** is called to discuss the following amendment to the rules governing the registration of imported Clydesdales: "That all imported Clydesdale stallions and mares, by sire and dam, be registered in the Clydesdale Studbook of Great Britain and Ireland, and when so registered, be also recorded and bearing registration number in the Clydesdale Studbook, and that this action shall come into force on the first day of June, 1907." The meeting to be held at the **King Edward Hotel, at 2 o'clock, May 23rd, 1907.** The attendance of all members is respectfully requested.

**J. W. SANGSTER, Sec.-Treas. Clydesdale Horse Association, Temple Building, TORONTO.**

**When Writing Please Mention Advocate**

## QUESTIONS AND ANSWERS. Veterinary.

### RHEUMATISM.

Horse has rheumatism in breast and fore legs. What is best to do? F. H.

Ans.—Keep dry and comfortable and give 2 drams salicylic acid 3 times daily. Bathe the affected parts 3 or 4 times daily with hot water, and after bathing rub well with liniment made of 4 ozs. alcohol, 1 oz. oil of turpentine, 4 drams camphor, and water to make a pint. V.

### WARTS.

Enclosed you will find a wart that I removed from the eyelid of colt. There are two or three more not quite so large. What will cure them? I took three similar ones out a year ago. C. E.

Ans.—The practice you are following, viz., removing the warts by dissection, is the proper practice. They can be removed by applying a caustic, as butter of antimony, daily, but it is a slow process. Some animals are predisposed to epithelial growths like this, and the predisposition cannot be removed. All that can be done is to treat the growths as they appear. V.

### FOREIGN MATTER IN NOSTRILS

Last Saturday a yearling heifer was not well. On Sunday morning she breathed very heavily. She began to cough, and the enclosed substance was expelled from her nostril. What is it? S. T. T.

Ans.—The substance enclosed in letter is animal tissue. It was an abnormal growth in the nostril. It is not possible to state what caused it. Such growths are liable to appear either on the skin or mucous membranes. It caused sufficient irritation to affect breathing and cause coughing. The convulsive efforts of coughing dislodged it, and it escaped through the nostrils. If no more growths of a similar nature are present, your heifer will have no further trouble. V.

### BRAIN TROUBLE—VETERINARY WORKS.

1. Three-weeks-old calf, nursing cow, stiffened and fell over. Got its head back as far as possible.

2. What is the very best veterinary work than can be got? W. A. B.

Ans.—1. This may not occur again. It was due to some pressure upon the brain, which may have been simply congestion of the blood vessels. If it is due to a growth upon the brain, the attacks will continue, and eventually will kill him. Nothing can be done.

2. Probably the best are Williams, in two volumes, viz., "The Principles and Practice of Veterinary Medicine" and "The Principles and Practice of Veterinary Surgery," by Williams. They cost about \$7 per volume, and can be purchased from any dealers in veterinary works. Of course, there are many works that cost much less money, but you asked for the very best. V.

### RINGBONE—LAMPAS.

1. Filly, now four years old, was lame when a yearling. It left an enlargement like a ringbone on near hind ankle, larger on sides than in front. She was not lame since then until two months ago, when she went lame again. The lameness decreases slightly on exercise, but is bad again after standing. The enlargement has increased some. I got a sweat blister and applied it, but the leg swelled, and she is still lame.

2. What causes lampas in horses, and how should it be treated? W. W.

Ans.—1. This is undoubtedly ringbone. The swelling of the leg is a natural result of the blister, and will disappear. Blistering will not likely do any good. It is usually a waste of time and money, except in very young animals. Get your veterinarian to fire, and then blister it, and give her at least two months' rest, and be satisfied if the lameness disappears in six to eight months afterwards.

2. Lampas is simply a congestion of the gums from irritation of teething. Horses over five years old are not troubled. Treatment consists in scalding just posterior to the teeth. The bleeding will relieve the congestion. Do not cut further back than the second bar, else dangerous bleeding may result. V.

## IF WOMEN ONLY KNEW

Thousands of women suffer untold miseries every day with aching backs that really have no business to ache. A woman's back wasn't made to ache. Under ordinary conditions it ought to be strong and ready to help her bear the burdens of life.

It is hard to do housework with an aching back. Hours of misery at leisure or at work. If women only knew the cause. Backache comes from sick kidneys, and what a lot of trouble sick kidneys cause in the world.

But they can't help it. If more work is put on them than they can stand it's not to be wondered that they get out of order. Backache is simply their cry for help.

## DOAN'S KIDNEY PILLS

will help you. They're helping sick, overworked kidneys—all over the world—making them strong, healthy and vigorous. Mrs. P. Ryan, Douglas, Ont., writes: "For over five months I was troubled with lame back and was unable to move without help. I tried all kinds of plasters and liniments but they were no use. At last I heard tell of Doan's Kidney Pills and after I had used three-quarters of the box my back was as strong and well as ever."

Price 50 cents per box or three boxes for \$1.25, all dealers or The Doan Kidney Pill Co., Toronto, Ont.

## Lost Strayed or Stolen—One Cow

That is about what happens each year for the man who owns five cows and does not use a **Tubular** cream separator. He loses in cream more than the price of a good cow. The more cows the price of the greater the loss. This is a fact on which Agricultural Colleges, Dairy Experts and the best Dairymen all agree, and so do you if you use a **Tubular**. If not, it's high time you

did. You can't afford to lose the price of one or more cows each year—there's no reason why you should. Get a **Tubular** and get more and better cream out of the milk; save time and labor and have warm sweet skimmed milk for the calves. Don't buy some cheap rattle-skimmer that does perfect work, skims clean, thick or thin, hot or cold; runs easy; simple in construction; easily understood. That's the **Tubular** and there is but one **Tubular**, the **Sharples Tubular**. Don't you want our little book "Business Dairymen," and our Catalog A.193 both free? A postal will bring them.

**The Sharples Separator Co.**  
West Chester, Pa.  
Toronto, Can. Chicago, Ill.

**FOR SALE: \$250 will buy the  
Champion Carriage Stallion  
OF CANADA.**

Sure and kind. Reasons for selling: Disabled by accident.

**E. W. BROOKS, Glen Ross, Ontario**

**READ THIS!** We are offering a dark red Durham bull 14 months old, weighing 1,000 lbs., for \$75. A two-year-old bull, light roan, heavy boned, extra good getter, \$85. Females equally cheap. **W. R. BOWMAN, Mt. Forest, Ontario**
