Banking by Mail

SAFETY of the Mails

The best proof of the safety of sending money through the mails is the fact that the enormous exchanges between banks of different cities, amounting to millions of dollars every day, are handled entirely through the mails.

Banking by Mail is not a new-fangled, untried idea.

4% Compounded Quarterly

It has been in successful operation for six years. The out-of-town people who transact their business through Banking by Mail are numbered by thousands. They have proved it simple, safe and profitable.

On all Savings Deposits we allow four per cent. interest, compounded quarterly.

Our booklet H sent free on request, gives full information on Banking by Mail at 4 per cent. interest. Write for it to-day.

The New Home of the Canada Business College, Chatham, Ont.

CANADA'S GREATEST SCHOOL OF BUSINESS

The school which for the past 31 years has been growing in greatness, and increasing in strength and popularity, until it was found necessary to erect this splendid building, and equip it with magnificent furnishings, at a cost of about \$30,000 (thirty thousand dollars).

THIS SCHOOL STANDS IN A CLASS BY ITSELF.

The English-speaking World is Our Field. Students in attendance this year from Quebec, Nova Scotia, Cape Breton and Newfoundland on the east to British Columbia on the west, with all the intervening Provinces, England, Ireland, Scotland, Danish West Indies, and all parts of the United States also send representatives.

Over 400 students placed in good positions during past year. The salaries paid to these 400 averaged close to, if they did not exceed, \$600 to each per annum. Does it not pay to attend the best, and get a good position when through.

College reopens for fall term, Tuesday, Sept. 3rd. Our beautiful catalogue will tell you much about this high-class business school, and the grand work it has accomplished during the past 31 years.
