THE CYCLOPAEDIA OF METHODISM IN CANADA.
By the Rev. GEORGE H. CORNISH.
This invaluable work of reference is the result of many years' labor and research, and is the complete Repository of everything connected with Canadian Methodist History. Every Methodist Minister and every Methodist Family should have a copy.
The Cyclopaedia contains twenty-six illustrations, a full record of twelve hundred and twenty-nine Circuits and Missions, with the names of all the Ministers stationed on them, their membership and contributions to Connexional Funds for each year. A complete Ministerial Record of twenty-one hundred and eighty Ministers and Preceptors for the Ministry, showing period of probation on trial, ordination, official position held, degrees conferred, date of removal, location, death, etc., with full index, making it easy to find an District, Circuit, Mission or Minister.
The Cyclopaedia will prove to be a reliable and authentic work of reference, on all the stations, Circuits, Missions, Ministers, Colleges, graduates in Divinity, Law, Arts, Science and Medicine, Statistics, Connexional Funds, Chronology, and History, connected with the branches of Methodism now embraced in the Methodist Church of Canada, from its beginning in the several Provinces of the Dominion and Newfoundland to the Annual Conference of 1880.
The Cyclopaedia is a large royal octavo volume of 800 pages, and exceeding 200 pages the entire matter in the Prospectus, and largely increasing the cost of publication. It will, however, be sold at the price stated in the Prospectus, viz:—
Cloth Binding, \$4.50 net; Sheep, \$5.00 net.
Orders for the above may now be sent to Methodist Book Room, Halifax.

THE BEST REMEDY
FOR
Diseases of the Throat and Lungs.
AYER'S CHERRY PECTORAL.
In diseases of the pulmonary organs a safe and reliable remedy is invaluable. AYER'S CHERRY PECTORAL is such a remedy, and no other so eminently merits the confidence of the public. It is a scientific combination of the medicinal principles and curative virtues of the finest drugs, chemically united, of such power as to insure the greatest possible efficiency and uniformity of results. It strikes at the foundation of all pulmonary diseases, affording prompt relief and rapid cures, and is adapted to patients of any age or either sex. Being very palatable, it is the favorite of children, and is in ordinary Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergymen's Sore Throat, Asthma, Croup, and Catarrh, the effects of AYER'S CHERRY PECTORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household for the protection it affords in sudden attacks, in Whooping-cough and Consumption, there is no other remedy so efficacious, soothing, and helpful.
Low prices are inducements to try some of the many mixtures, or syrups, made of cheap and ineffective ingredients, which, as they contain no curative qualities, can afford only temporary relief, and are sure to deceive and disappoint the patient. Diseases of the throat and lungs demand active and effective treatment; and it is dangerous experimenting with unknown and cheap medicines, from the great liability that these diseases may, while so trifled with, become deeply seated or incurable. Use AYER'S CHERRY PECTORAL, and you may confidently expect the best results. It is a standard medical preparation, of known and acknowledged curative power, and is as cheap as its careful preparation and fine ingredients will allow. Eminent physicians, knowing its composition, prescribe it in their practice. The test of half a century has proven its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid.
