PFEIFFER & HOUGH BROS

our offer of Historical Pictures

These pictures are large photographs taken by the first artists in Toronto—Messrs. Farmer Bros.—and make a picture suitably framed 18x14 inches.

Our aim is to increase the circulation of the Canadian Churchman, hoping that by doing so we are introducing into many families good, sound Church teaching, and interesting Church news.

We make the following offer: Any one paying up his subscription to this paper due at the end of the year 1894 and also the subscription in advance for the year 1895, may have either of the pictures for 50 cents or both of them for \$1. New subscribers paying one year in advance, can have the pictures on the same terms.
