THE WEARY SICK.

During the past few months our healing work has continued with gratifying results.

Among the ailments healed or being healed are the following, most of them a long distance from us, and all absent from us:

Various types of rheumatism, sciatica, partial paralysis, serious stomach troubles, prolonged vomiting, catarrh of head, bronchial tubes, and lungs, tuberculosis, kidney trouble, genital weakness, locomotor ataxia, etc., etc.

Our method makes nature heal herself. The work is both scientific and scriptural. Saint or sinner may be healed, if he will. For particulars address with stamp. Rev. G. A. Schram, 445 Cumberland Ave., Winnipeg, Manitoba Phone 2720.

**Because You
Need
The Money**

It's your business and if you don't attend to it, who will? You cannot afford to keep cows for fun. That isn't business, and, furthermore, it isn't necessary. There is money in cow keeping if you go at it right, and besides there is more fun in going at it right than there is in staying wrong.

You need a Tubular Cream Separator because it will make money for you; because it saves labor; because it saves time; because it means all the difference between cow profits and cow losses.

Look into this matter; see what a Tubular will do for you and buy one because you need it.

How would you like our book "Business Dairying" and our catalog B.18 both free. Write for them.

The Sharples Separator Co.
