February 14

7th Session, 9.30 a.m.—Election of Officers. Balance of Session—Organization Districts. 8th Session, 2 p.m.—Grain Act Amendments and Miscellaneous Resolutions.

Convention City, Saskatoon  
Headquarters, Empire Theatre  
February 11 and 14 at 6 p.m.

### Instructions to Associations

1. One delegate allowed for each ten paid up Members.
2. Expenses of delegates are to be met by each local Association.
3. Railway fares will be pooled so that Associations at a distance from the Convention City will be at no disadvantage.
4. Notify the General Secretary at once as to the number of delegates to be sent, so that sufficient accommodation may be provided. Secretary must sign Credential Cards and give to duly appointed delegate.

### Instructions to Delegates

1. Tickets. Buy a first-class one way fare, and take a standard certificate for it from the ticket agent. If travelling over two different companies lines, don't buy a through ticket. Get a ticket to the junction, and a ticket from there on. Don't forget to get a Standard Certificate in each case. Certificates must be deposited with the Convention Secretary on arrival. In case ticket is bought on train; be sure to get receipt from conductor.
2. RETURN. When leaving get your Certificate from the Convention Secretary. If your ticket cost less than the average rate, he will charge you the difference between the rate you paid and the average rate. If you paid above the average, he will refund you the difference. Return tickets will be given free at the railway ticket offices on the production of the Certificates countersigned by the Convention Secretary.
3. Registration. On arrival, register with the Convention Secretary at his office in the Convention Headquarters. Give him your credentials from the local Association and your railway certificates. This is necessary to obtain your voting badge.
4. ACCOMMODATION. The reception committee will arrange for accommodation.
5. Life members will please wear their Life Membership badges, and annual members their Membership Buttons throughout the Convention.
6. Reception of delegates commencing at 8 o'clock on February 11, 1913.
7. Time tables, etc., will be handed to delegates on arrival.
8. Registration fee of 50c. will be charged visitors.

### Expenses

1. The pool makes all pay alike for their railway ticket. The average last year was \$4.00.
  2. Accommodation at the Saskatoon Hotels costs the Western rate of \$2.00 and upwards.
- For further information apply at Information Bureau at Convention Offices, or

FRED W. GREEN,  
Central Secretary.

## Manitoba Engines Must Make Good!

We have no half-hearted policy, no enticing sales promise, no narrow gauge claims of goodness to put before engine buyers. Our greatest asset in the engine-building business is the downright make-good policy back of every engine we sell. No man living who owns a MANITOBA Engine, can truthfully say we have not stood squarely behind him and the engine he bought from us. Before being able to adopt such a strong policy, we had to be sure of our engine, therefore our first care was to put out a high-grade engine, built with nothing but the best at whatever cost. We produced such an engine in the MANITOBA, and now back it to the limit. Results show the wisdom of our attitude, for our output constantly grows.

We have a catalogue for you. It tells what we use and what we do not use, where we buy our material, how we guarantee the MANITOBA Engine and how we make it good. Send for a copy. It's full of sound, practical information, free.

We Manufacture Gasoline Engines, 1 1/2 to 25 H.P. Wood Saws, all sizes. Wood and Iron Pumps.  
Grain Grinders, 6 to 12 inch. Pumping and Power Windmills, 8 to 14 feet.

"MADE IN THE WEST FOR WESTERN NEEDS"

## MANITOBA ENGINES, LIMITED

BRANDON, MAN.

Formerly THE MANITOBA WINDMILL  
AND PUMP CO., LIMITED

CALGARY, ALTA.

## Do they Use Pedlar Culvert on Your Roads?

### Use It On the Farm, Too

Pedlar Culvert makes farm bridges at ditches, gates, etc. Time saving, frost-proof. It never washes out. Lasts for years. Sizes 8 inches to 7 ft. in diameter.

Put the small sizes in your open drains like this everywhere needed on your farm.

Or use it under your gateway bridge, or as a well curbing, if desired.

Instead of doing statute labor, year after year, on a rotting bridge, throw it out and install our Pedlar Culvert in a few hours.

Nested bundles like this

make interlocking sections which

a man clamps

In Toncan Metal

Pedlar Culverts are not made in ordinary metal, and do not corrode. Toncan is a peculiar anti-rusting metal. It is used only in Pedlar Culverts. It makes the culvert good for years to come.

There are imitations. Be sure and get the genuine Pedlar Culvert, which will not corrode. Write us at our nearest branch for full details.

A Sample of Pedlar Culvert and a Special Book about it to every Farmer or Reeve or Municipal Officer —

# FREE

THIS culvert is made in sizes from 8 inches up to 7 ft. It is very strong. It is proof against ice, frost, freshets, and corrosion. It saves road troubles and excavating. Does your township use it?

into complete culverts

over which the road is built.
