

## A Monthly Income For Your Widow

A new privilege applicable to all Imperial Life policies permits the assured to specify that the proceeds of his insurance shall, on maturity be payable in monthly, quarterly, half-yearly or yearly instalments for 20 years certain, and so long thereafter as the beneficiary named shall live.

While in the calculation of the instalments a definite rate of interest is guaranteed, such payments in the case of participating policies will be increased by sharing in the interest which the Company earns in excess of this guaranteed rate.

Therefore, by means of an Imperial policy you can provide a definite, dependable, regular income to care for your widow as long as she lives, and for your children until all of them are at least old enough to be self-supporting.

But this is only one of the many advantages of this valuable new privilege. Many others are explained in our booklet "Safeguard Your Legacy." Write for a copy to-day. It's very interesting, and—it's free.
