LOCAL AFFAIRS.

—Miss A. Vollick left last Friday for Toronto.

—We noticed Warden Tolton of Clifford, passing through town on Monday.

—The small boy amuses himself these days days disporting in the waters of the Little Otter.

—A car of machinery has arrived at Glebe's mill, and the millwrights are busy placing same in position.

—His numerous friends will be pleased to hear that Leslie Walker is now in the employ of a Mr. Pratt, at Sault Ste. Marie, Ont.

—One day this week we received a communication from Albert Hinsperger in which he states he is enjoying good health and is working up a very lucrative business.

—The weather has been extremely hot during the past week, and at time of writing no rain has fallen. If we do not have rain in this district before long our crops will be a failure. The hay and grass is badly in need of moisture. In fact there is no pasture of any consequence. The root crop is also suffering from want of water.

—Burtch's New Sensation show appeared here as advertised on Monday. The street parade at noon was not of much account but the music by the band was something excellent. In fact the parade gave the lie to the rest of the show. There is nothing in connection with this show that would offend the most fastidious person who may attend. If this show should ever visit Mildmay again they will have a larger crowd.

—There are a number of our subscribers who are in arrears with their subscriptions. We have decided to give them one more chance to pay up without charging the 25% addition. From this date until the first of July all in arrears can renew their subscriptions for one dollar, after that date \$1.25 will be charged every person. We have to pay cash for our stock and therefore require cash for our work. Kind readers please attend to this matter and oblige us by remitting at once.

—Don't forget Deemertons' mammoth demonstration on the 1st of July. The committee are sparing no pains to have everything in first-class shape so that there will be no hitch in the program. There will be a grand calithumpiah procession at 9.30, immediately after which a bicycle race open to the world will take place. At 1 p.m. the base ball match will be called between the Mildmay and Teeswater clubs. All kinds of athletic sports, such as running, jumping, etc. Admission to grounds 10 cents, children 5 cents.

—It pays to buy American Wall paper at Cryderman's, Walkerton.

—Mr. Glebe expects to have his mill in full running order by the 1st of August.

—Kramer & Co. shipped two car loads of wheat to Toronto Junction this week.

—John Halladay of Howick shipped a couple of cars of cattle to Montreal on Monday.

—Hack & Co. of Drayton have added several cars of tile to their supply in Mil may.

—We are pleased to see Geo. Gray, who has been confined to the house for a few days with illness, able to assume his duties at the station once more.

—Statute labor is the order of the day throughout Carrick township now, wherever you may travel, loads of gravel may be seen dumped upon the highway.

—If our correspondents are not too busy these days, we would like to hear from them. All communications must be in our hands Tuesday afternoon to insure publication in the current issue.

—The high school entrance and public school leaving examinations begin on the 27th of June. The high school primary on July 4th, and the high school junior leaving and pass Matriculation on July 2nd.

—Pathmaster Murat has a staff of men busy this week repairing the sidewalk on the east side of Elora street, north. The sidewalk has been all torn up and filled in thereby raising it somewhat. This is a good idea.

—Richard Berry called into the office the other day and showed us his patent device for controlling unruly horses. It is an ingenious instrument and when attached to the bridle is unnoticeable. Dick has a great head on him and his patent is a boon to horsemen.

—The other day while up town we passed a house in which a young lady was lustily calling "papa, come here quick." Upon investigating we found that a large rat had the young lady a prisoner upon a chair. Her father came to her rescue and destroyed the monster.

—The Grand Trunk are holding three sixty day excursions to the North west on the following dates:—June 25, July 9, and July 23. Round trip tickets for \$28 up to \$40. This is a chance of a life time. Every person who can afford to do should take in these trips. Parties going on July 9th or 23rd will be able to attend the expositions at Winnipeg and Regina.

All work left with John Johnston will receive prompt attention. Parties wishing to pay up their subscriptions can do so by calling at the office between 8 and 10 in the morning and 3 and 4 in the afternoon.

—It is our sad duty this week to record the passing away to her new home of Miss Grace Isabella, third daughter of Thomas and Helen Inglis, who died on Monday. Last fall deceased caught a cold and not attending to it promptly her lungs became affected, which brought on consumption, resulting in her demise on above date. Deceased was well and favorably known in west Carrick. The funeral took place from her parent's residence on Wednesday and was attended by a host of friends and relatives. She was in her 17th year when the dread reaper cut her down. The family have the sympathy of all their friends.
