

News Notes From the Countryside

STIRLING.

Last Sunday evening after church a vast crowd filled the opera house to listen to patriotic addresses from the militia officers at present doing duty in Stirling. The chair was taken by Councillor Mettlejohn, and he was supported on the platform by the Rev. Messrs. Byers, Terrill and Hall, and the officers of the 235th and 254th Battalions. The music was in charge of Mrs. Alger and was of a high order; the solo by Mrs. Alger entitled "Do your bit" being especially noteworthy. Speeches were given by Lieut. Rickard and Lieut. Reed of the 235th and by Capt. Ingram, Lieut. Cooke, and Lieut. Coulter of the 254th. If the enthusiasm that prevailed in the packed house was any indication of the success of the recruiting campaign now in progress, Stirling will once more have reason to feel justly proud of the patriotism of its people.

Miss Evelyn McCutcheon, Hastings spent Sunday with her mother, Mrs. A. McCutcheon.

Mr. J. E. Minns, Inspector of Public Schools, visited Stirling school on Monday and Tuesday.

Dr. C. E. Tolton, who has been overseas with the Canadian contingent arrived home a few days ago. He had been with the army for a year.

There was not a very large audience to greet Mrs. Parsons last Friday on the occasion of her first appearance in Stirling. Her subject was well chosen and the main idea, that the greatest need of the war is men—and more men—was carried throughout the whole of her address. No one is doing more than his share. The man who has two brothers at the front can not rely on them to do his share—he must do his own. How we despise the Canadian born men who sneak to the other side to take positions at this critical time. So far half an hour Mrs. Parsons urged the great need of the war, bringing before the wives, mothers and sisters their duty in influencing the men in our land to face the situation squarely. Mrs. Parsons is a very brilliant speaker and held her audience from the start. It is to be regretted that more did not take the opportunity of hearing her.

A number of the members of the Excelsior Adult Bible Class of the Methodist church met at the home of Mr. J. T. Weaver on Monday evening last and Mr. J. L. Ashley, on behalf of the class, presented Mr. Weaver with a beautiful silver ring. Mr. Weaver has lately joined the 235th Battalion and the class took this method of showing their appreciation of the patriot and his service to the cause of King and Country. While regretting his departure as a faithful attendant at class, all wished him success and a safe return when the war is over.

The annual meeting of Stirling Horticultural Society was held in the Agricultural Room on Friday evening Nov. 17th. There was a very small attendance of members. After the business for the past year had been finished the election of officers for the ensuing year was held. A hearty vote of thanks was tendered the retiring President, Mrs. Bissonnette, who presented a very creditable report of the year's work, and also to the other retiring officers.

The officers elected for the new year are:

Pres.—J. S. Morton.
Sec.—G. E. Kennedy.
Treas.—M. Currie.
1st Vice.—Mrs. Yeats.
2nd Vice.—Mrs. Bissonnette.
Directors:—J. B. Bishaw, A. D. McIntosh, G. E. Kennedy, Mrs. Potts, Mrs. Alger, Mrs. J. M. McGee, Mrs. Robt. Reid, Mrs. Drewry, Miss Parker.

On Tuesday evening last Mr. W. S. Maylin gave a banquet to the Stirling Cheese Board of Trade in the school room of the Methodist church. The menu was provided by the ladies of the W. M. S. and was excellent in every way, and received deserved praise from his speakers. After a full justice had been done in the way of satisfying the inner man, Mr. L. Mettlejohn, as toastmaster, proposed the following toasts: "Aye Army and Navy," responded to by Lieut. Coulter and Mr. Yeats. A song by Mr. McIntosh, "Our Legislators," responded to by Mr. E. T. Williams. Song by Mr. C. M. Sine, "Dairy and Agricultural Interests," responded to by Mr. A. D. McIntosh. Song by Mr. C. M. Sine, "Our Municipal Institutions," responded to by Mr. Thos. Montgomery.

ery, Reeve of Rawdon; Song by Mr. McIntosh, "Educational Institutions," responded to by Mr. G. E. Kennedy; "The Ladies," responded to by Mr. G. Thrasher and Dr. Bissonnette. Song by Mr. C. M. Sine; The toast to "One Host" concluded the program. The speaking generally was of a high order, much of it along patriotic lines. There was a large number of invited guests and the banquet was a great success in every way, and the host was deserving of the praise given him in providing it.

Only the immediate families witnessed the wedding of Anson J. Forsyth, son of Mr. and Mrs. James Forsyth of the Batavia-Elba township road, and Miss Florence W. Y. Ferguson, daughter of Mr. and Mrs. George H. Ferguson of New York, at the country home of the bride's father on the Batavia-Elba township road, Tuesday November 14th at eleven o'clock by the Rev. W. M. Hester of Oakfield. The couple were unattended. Out of town guests were Mr. and Mrs. George Ferguson of New York and Mrs. Willie Hagerman and son George of Rochester. The groom is a graduate of the Batavia High school, class 1913, and has taken a course in Agriculture at Cornell University. The bride received her education at the Stirling high school and afterwards attended St. Agnes Ladies' College at Belleville. The couple received many useful gifts, among them being a large cheque from the groom's father, and a 1917 Ford touring car from the bride's father and mother.—Batavia Daily News.

Miss Lucy Grant of Belleville Public School Staff spent over Sunday at her home here.

Mr. Rudolph Kleinsteuber of Elsilver township, has moved to Prince Edward County, where he has purchased a farm. He left with his family and belongings on Friday last and was assisted in moving by Mr. Chas. Laundry and Mr. H. Kleinsteuber.

The lake froze all the way across on Tuesday night. Soon have to get the skates out. There has been a decided change since Tuesday however and it is like spring.

Mrs. W. T. Hinds and little daughter, Eileen, are visiting her parents, Mr. and Mrs. Wm. Ferguson of Roslin and relatives in Belleville.

The pipe organ for the Methodist church is now shipped and will be installed for the Anniversary Services the second Sunday in December.

Some few days ago, chief Huycke and Captain Girdley of the local fire brigade, notified Reeve Rollins that owing to the very unsatisfactory condition of the fire engine, the town was without adequate fire protection. The Reeve brought the matter to the notice of the council, and they with some of the members of the fire brigade thought it best to call a public meeting. This meeting was called on Monday evening and a goodly number of citizens were present. The question was pretty thoroughly discussed. Every man present was of the opinion that they should have the best possible fire protection. A representative of the Watrous Engine Works had waited upon the Reeve and council and submitted a price for a gasoline engine and pump of 350 to 400 gallons per minute capacity. This machine was quite favorably considered as reports from those now using it were very favorable and the Reeve had a letter from the Reeve of Colborne, speaking in the highest terms of its efficiency. Reeve Rollins promised that the matter would have prompt attention.—The News.

Another Hastings County boy, Pte. Russel Alcock, only son of Mr. and Mrs. Jos. E. Alcock, of Langham, Sask., formerly of Hastings county, has paid the supreme sacrifice in the great struggle in Europe. He was killed in action on Oct. 25th. He was 20 years of age and went overseas in July last with a battalion from Saskatchewan. The deceased was a nephew of Messrs. Robt. and Arthur Tutts of Hungerford.

Mr. W. O. Spring, assistant engineer on the Tweed-Kingston C. N. Ry., has been transferred to Trenton, and Mr. McKenny of Trenton has taken his place on the above named route.

Much sympathy is expressed for Mr. and Mrs. Chas. Clark who were called upon on Saturday last to mourn the death of their infant son Harold Douglas, aged 3 weeks. The funeral was held on Sunday afternoon, interment taking place in St. James' cemetery.

Most of the hunters from this section report deer scarce this fall. Many parties returned home without the number and some were up against the real thing—returning home without a taste of venison. The Turcott party, of which the writer was a member, journeyed to the bush 7

strong but after ten days of diligent search without success three of the number gave up in disgust and returned home. Luckily the editor was one of the remaining four and by the close of the season we had secured our number. Several parties in the immediate vicinity were compelled to return home with less than the law allowed. While we did not have the pleasure of feasting our eyes on a moose we had the satisfaction of seeing several imprints from the hoofs of these large denizens of the forest and out of curiosity the writer measured one which we must confess was the largest we have ever seen, measuring 7 inches from dewclaw to point of hoof and a little over four inches wide. Where the animal passed over the burrs he would sink into the hard sand an inch deep.—The Advocate.

PICTON.

Mr. Silas Green, Stirling, has bought Mr. A. V. Syke's residence in Bloomfield.

A cable from Captain E. G. Hudgin to his parents on Monday stated that he had been slightly wounded but was feeling fine. This is the second wound for Captain "Brook", he having returned to service a few weeks ago after a slight wound.

James LeRoy, a former Picton boy son of Mr. and Mrs. Geo. W. LeRoy of Harrow, Ont., has enlisted to help fight for his King and Country. He felt it his duty to go and help in this great struggle, and thinks there should be more willing to give their help. He is an only son, but will be sure to do his bit. Mr. Charles LeRoy of Talbot street, Picton, is an uncle of this young man.

Miss Ruth Hamly and Miss Vera VanDusen were in Kingston on Tuesday to interview Ven. Archbishop Dobbs, M.A., and Dr. J. C. Connell regarding the St. John Ambulance Overseas Brigade, and to file their names for service in the overseas hospitals. The numbers who have responded to the call for voluntary workers is so great that Dr. Connell is overwhelmed with applications which cannot possibly be accepted for many months to come and there is practically no possibility for anyone who has a desire in future to be of service through the St. John's Ambulance Brigade. While in the city the Misses Hamly and VanDusen were guests of Canon Loucks, formerly Rector of St. Mary Magdalene's church here.—The Times.

DESKONTO.

Mr. Ed. Roach left on Monday for Donald, Ont., where he has secured a lucrative position in a general store.

Miss Stella Connell, Belleville, was the guest for a few days of Mr. and Mrs. Jack Cole, Main street.

The Belleville Ontario speaks of a house famine in that city. Not so with Deseronto.

Miss Phillips of Belleville was the guest of Mrs. Ira Bradshaw and family on Monday.

Mrs. Frank Waterbury has enlisted with the 235th Battalion and left on Tuesday for Belleville.—The Post.

PICTON.

Lieut. Harry Clark, son of Mr. and Mrs. E. Clark, Centre street, reached home on Sunday afternoon for a short stay after a two years' absence with the Canadian Expeditionary Forces in France. Lieut. Clark was one of the first to enlist going with the first contingent from Picton in August 1914. He had spent over a year and a half in the trenches and was twice wounded, once slightly in the hip. The second wound was of a more serious nature and necessitated his withdrawal from the firing line. After a few weeks in the hospital he was granted a short leave of absence to return home. He will leave Picton again on Friday of this week to return to the front for further service.

Mr. H. Mitchell and family have moved to Belleville.

Lieut. Gerald Wells, grandson of the late Philip Clapp of Millford, and son of R. J. Wells of Saskatchewan, was recently killed in action in France. Lieut. Wells was a student at Toronto University, enlisting in the early days of the war.

The 235th Battalion held a recruiting meeting at the town hall, Picton on Sunday evening at 8.15 p.m. which was largely attended. Mr. H. Horsey was the chairman for the evening and seated on the platform with him were: Lieut. Mills, Lieut. Nicholls, Sgt. Miller also Pte. Clifford Love of our town recently re-

turned wounded from the front, who has again reenlisted with this battalion. Lieut. Mills and Private Love were both members of the first contingent. Lieut. Mills was one of the first casualties among the Canadians. He was wounded while going into the trenches for the first time and lay for many hours paralysed before he was attended to. Mr. Horsey made some suitable introductory remarks, referring to the fact that when Premier Hearst was in England he made the enquiry as to what Ontario could do to help most in the war, and the reply by Lloyd George was that Ontario could best help by sending men and still more men to the front. Mr. A. B. Galman, who was next called on said that the enlistment throughout Canada had fallen from a thousand a day, the record of last winter, to about one thousand a week, which is the number enlisting at the present time. There were many causes for this decline in recruiting, but he believed that when the needs at the front were put fully before our Canadian men of military age that they would respond to the extent of the half million needed without the aid of any other scheme for securing the necessary men. The speaker of the evening, Sergt. Miller, was a former Methodist minister at the village of Blackstock, north of Bowmanville in the Bay of Quinte Conference. Sergt. Miller was a fluent and convincing speaker, and urged the cause for which Canadians are fighting in eloquent terms, eliciting the repeated applause of his audience at his many telling points. At the close of his address, in response to his call for recruits some four or five young men stood up, signifying their willingness to enlist after consulting with their friends in the matter. One of the most successful recruiting meetings yet held in Picton was closed by the singing of the National Anthem.—The Gazette.

Mr. and Mrs. W. R. Carrite, and Mr. and Mrs. Rodney Alvey spent over Sunday with relatives at Hawlock.

The students took tea Sunday evening with L. R. Gerow.

Mr. and Mrs. Lorne Grey and Mrs. Ellen Gray have moved to Belleville.

Mr. and Mrs. S. Jarriss and family motored here and spent a recent Sunday with their daughter, Mrs. Arthur Alvey.

Mrs. J. S. Alvey, who has been under the doctor's care for the past three weeks, is slowly recovering.

Mr. and Mrs. Walt Belnap visited on Sunday at Raymond Belnap's.

A few from here attended the recruiting meeting in the Griffins Opera House on Sunday night last.

The doctors have been kept quite busy in our village lately, but we are glad to report all are gaining.

A letter received this week from Ed Alvey from the trenches in France reports him alive and well.

The bay froze over night, the 26th, and puts a stop to all navigation for this season.

Mrs. Jim Mason spent a few days recently with her daughter, Mrs. W. Bird of Belleville.

Mrs. J. R. Scott and family spent Sunday with her sister, Mrs. Charlie Reddick.

enchy, on June 16th, 1915, will be unveiled next Sabbath morning. All military men are respectfully and cordially invited.

MARMORA.

Miss Bessie McCracken left Tuesday for Toronto, where she will begin her duties as nurse-in-training.

Mr. W. C. Pearce entertained a number of friends at a birthday party at the home of Mr. and Mrs. F. N. Marot on Monday evening. A very enjoyable time was spent.

A number of the business men of the village met at Capt. Bleeker's office last Saturday evening to consider the question of securing recruits for the 254th battalion. It is proposed to hold a patriotic concert in the near future at which music will be furnished by the band of the 155th battalion, which made such a favorable impression when it visited Marmora some time ago. It is also hoped to secure some speaker who will be able to show actual conditions at present in regard to the war. It is not thought that people are any less loyal than they were a year ago, if only they realized the need which exists at present.

At the advanced age of 80 years, 5 months and 15 days, Mrs. Mumby passed away at his home in the Spry Settlement, Rawdon township, last Saturday, Nov. 18th, the cause of his death being cancer of the blood. The deceased was born in England, but came to Canada with his parents when about eight years of age. They located in the Spry Settlement and the late Mr. Mumby lived in that section ever since. Besides an aged widow he leaves two daughters, Mrs. Herb Spry, Madoc, and Miss Mary at home, and one son, George Mumby of Madoc. He also leaves eight grandchildren and one great grandchild. Two children predeceased him.

The event of the season as far as dances are concerned, was held in the town hall last evening. The music was exquisite, nothing finer having been provided for a dance in Marmora. The hall was prettily decorated and everything right up to the minute.

Mr. Thos. Potts put on the supper and is receiving a great deal of praise for the manner in which he did it. The room and tables were beautifully decorated and the supper was all that could be desired. Quite a number of guests were present from the Red Cross and \$22.00 was donated in a few minutes.

Desmond McGrath, son of Mr. and Mrs. Jas. McGrath, met with a very serious accident yesterday morning. D. O'Connor.

At Kingston the specialist found the eye had been injured and it was necessary to remove it. The face around the eye was also badly bruised. Mr. McGrath, father of the injured boy, has been in the hospital in Kingston for some time in a serious condition. The family have the sympathy of the community in their trouble.—The Herald.

NAPANEE.

The Court of Revision on Tuesday evening last, after hearing the complaints and appeals from the tenants and owners of all the hotel properties in Napanee, who are now running under Standard Licenses, made a decision in the assessment of all the hotels to a gross amount of \$29,417.

This should have the effect of encouraging hotel keepers to maintain good standard hotels at reasonable rates and add to the prosperity of the town, which we are sure they will do.

Lieut. Walker and Sergt.-Major Ross, of the 73rd Sportsmen's Overseas Battery, Kingston, were in town on Wednesday looking for recruits.

Edward P. Corkin, son of Mr. Corkin of the Collegiate staff, who was a member of Queens University

The Protectors of the Donnelly Wrecking Co., was in Napanee river on Tuesday and Wednesday and took the schooner "Winnie" to Kingston. Lance-Corp. Frank Davenport, of Napanee, who went overseas with the 21st Batt., has won the military honors by being awarded the Military Medal for bravery on the battle field. The following letter from Capt. Kidd to his mother, Mrs. Davenport, speaks for itself:

France, Nov. 1st, 1916.

Dear Mrs. Davenport,—

I have intended for some time to write you about Frank. Of course you have heard that he won a medal for his splendid work during the Somme battle. His first reward was that he went on a special leave and later his name came out as having won a medal. He did wonderfully good work, and you can well be proud of him. During the battle in which our brigade and the 21st Batt.,

did such good work, and where it was so necessary to preserve communications with the front line, Frank worked very hard under heavy fire, and the lines were kept intact nearly all the time. I heard many references by the officers to Frank's work in carrying out such a task.

I was pleased after our second trip in, when he came up to me and said he had a souvenir for me. He had brought it from a German front line, which our boys had taken. He pulled it out of his pack, and it was a German Bible, with a big picture of Martin Luther on the front. It pleased me very much that when a chap does not care to carry any more than is necessary, he should have picked this up and thought I would like it and so brought it out. I prize it very much. I have not seen him since he was on leave, but I can assure you when he left he was a happy boy. You can well be proud of him.

With kindest regards, I am, Sincerely yours,
