PATRIOTIC WHIST

The Whist held on Thursday evening last in Paul's Hall, by the Red Cross Society in aid of their fund was very successful, the sum of \$52.00 being realized. The prizes were won by the following:—1st Lady, Miss Phyllis Cockburn; 2nd Lady, Mrs. Arthur Gove; 1st gentlemen, R. D. Rigby; 2nd gentlemen, Dr. J. A. Wade; consolation, Capt. J. S. Malouey.

After the awarding of prizes, a handsome cushion, for which over two hundred tickets, amounting to \$22.00, had been previously sold, was raffled, and went to Mr. Ben Toal. Refreshments were served at the close.

EXPERIMENTS IN FISH CURING

On a previous occasion we made reference to experiments in fish curing being carried on at Navy Island in connexion with the Marine Biological Station, under the direction of Mr. Arthur Calder, the custodian of the Station at Joe's Point. Last week we received from Mr. Calder a card with the following inscription:—From The Marine Biological Station, St. Andrews, N. B. Haddock smoked. Placed perfectly fresh, in brine for 30 minutes, then subjected to the smoking process for 10 hours. When cured—Dec. 31, 1915. When dispatched—Jan. 5, 1916. We would say that the final "dispatch" of the fish was made by the Editor and his family, who can give an unqualified testimonial of the excellence of its gastronomic properties.

Local and General

The 1916 session of the Charlotte County Council begins in the Court House, St. Andrews, on Tuesday next.

We are indebted to Mr. J. T. Whitlock, insurance agent, St. Stephen, for a useful wall-calendar for the current year.

On Jan. 13, the ladies of St. Andrews forwarded to the Quartermaster, "B" Squadron, 6th C. M. R., Second Brigade, C. M. R., Canadian Army Corps, B. E. F., France, a box containing 191 pairs of socks, 18 pairs mittens, 6 pairs wristlets, 6 scarves, and 3 woolen undershirts.

The Pen Written business letter is out of date. Its use suggests antiquated methods. If you have not a typewriter, why not buy one of my REBUILTS to start with. Low price and good service.

A. Milne Fraser, Halifax, N. S.

Messrs. F. W. & S. Mason have returned from a very successful business trip up the St. John river, having covered the ground from Fredericton to Edmundston.

Mr. C. A. Haycock, Manager of the Lane-Libby Fisheries Co., Chatham, informs us that the masonry and carpenter work on the cold-storage department of the plant will be completed this week, after which everything will be in readiness for the installation of the machinery, necessary for the operation of the plant.

NOTICE

SHIPMENT OF POTATOES TO UNITED STATES

On and after the 1st January, 1916, Potatoes may be shipped from Canada to the United States, subject to the following conditions:—

- Potatoes offered for export to the United States must be free from injurious diseases and insect pests.
- "Injurious diseases and insect pests" shall not apply to such common and widespread diseases the stock offered for shipment shall be clean and free from such diseases.
- No shipment may be made until a permit is issued by the Agricultural Department of the United States.
- Each shipment should therefore be designated on the accompanying papers by the permit number which will be furnished by the United States inspector.
- Inspection will be made by a United States inspector at the port of export and if the permit and if the inspection of the potatoes is found to be satisfactory, entry may be refused.
- No inspection or certification will be required prior to shipment, but potato growers and shippers are advised that the continuation of such entry will depend on the offering for entry into the United States of potatoes free from dangerous diseases and insect pests.
- All persons engaged in this trade should have their potatoes carefully "racked," and disinfected or scabbed potatoes removed.
- For further information, apply to the Dominion Bureau of Experimental Farm, Ottawa.
- Published by the direction of the Honorable Martin Burrell, Minister of Agriculture, Ottawa, December 27th, 1915.

FOR SALE

Auxiliary Yacht. Powers for sale. In the Memorial Hall, but Mr. Howard Chase, of the Palace Theatre, placed the Andre-Rowe Hall gratuitously at the disposal of the recruiting officers, which was a decided help to the success of the meeting, as it was more accessible than the other hall, which would have been none too large for the large number that turned out. This was the most successful meeting that has been held in St. Andrews since the beginning of the war, and no doubt will have a lasting effect on the people of the town.

RECRUITING RALLY

A very enthusiastic recruiting meeting was held in the Andre-Rowe Hall on Monday evening, Jan. 10, and notwithstanding the rain and sleet storm which prevailed outside, the large hall was filled to its utmost capacity.

The St. Andrews Band was in attendance and furnished music at intervals during the evening.

Mr. F. H. Grimmer, K. C., acted as Chairman.

The speakers of the evening were, Captain L. P. D. Tilley, Recruiting Officer for New Brunswick, and Lieut. Col. Percy A. Guthrie, Frederickton, the hero of Percu- bert, who was returned wounded a short time ago, and who is taking an active part in the recruiting campaign now being carried on throughout New Brunswick.

Both speakers made eloquent appeals to the physically fit young men of the audience to come forward and do their bit.

Lieut. Col. Guthrie, who received a great ovation on taking the platform, gave his hearers a very interesting description of life at the front, and was listened to with rapt attention by the audience, who wished that his address had been longer.

At the close of the address, the following men went forward and were signed up by Captain Geo. P. Ryder, Recruiting Officer for Charlotte County:

Melvin Starr
Clarence Gamick
J. Herbert Grimmer
J. Frederick McDowell
George Ross
A. Hector Richardson
Stanley T. Duggan
Fraser McLaughlin
Herbert Hornwell
Phillip Reid
John McClure
Frank Grimmer

At the close of the meeting a Citizens Recruiting Committee was formed, and composed of the following: Chairman, F. H. Grimmer, K. C.; Vice Chairman, Sheriff R. A. Stuart; Secretary, Goodwill Douglas; J. S. McDowell was recommended as Deputy Recruiting Officer.

A Ladies' Permanent Committee was also formed by Col. Guthrie and is composed of—Mrs. Verne Lamb, President; Mrs. Allen Grimmer, 1st Vice President; Miss Laura Shaw, 2nd Vice President; Miss Julia O'Neill, Treasurer; and Miss Bessie Grimmer, Secretary.

The meeting was advertised to be held in the Memorial Hall, but Mr. Howard Chase, of the Palace Theatre, placed the Andre-Rowe Hall gratuitously at the disposal of the recruiting officers, which was a decided help to the success of the meeting, as it was more accessible than the other hall, which would have been none too large for the large number that turned out. This was the most successful meeting that has been held in St. Andrews since the beginning of the war, and no doubt will have a lasting effect on the people of the town.

SURPRISE PARTY

A large number of friends of Mrs. Georgiana Hartford invaded her home at the Windsor Hotel on Wednesday evening last, in commemoration of the 54th anniversary of her birthday. Whist and other games were indulged in during the evening, after which refreshments were served and the happy gathering was brought to a close at midnight.

OPENING OF PARLIAMENT

Parliament was opened at Ottawa on Wednesday afternoon with the usual ceremony. The Governor-General was presided by his deputy, Sir Charles Fitzpatrick. Sir Robert Borden was also prevented by illness from being present.

In the House of Commons Dr. Albert Seagram was elected Speaker in succession to Fleck Dr. Sproule, who has been appointed to the Senate.

BOWLING

The Roll-off on Monday in Stinson's Alleys for the weekly prize was won by W. R. Stinson with a score of 96.

On Tuesday evening the two-men team match resulted as follows, only the team bowling:

Names	Strings	Total
J. McFarlane & E. Starr	166 160	326
A. Thompson & W. R. Stinson	163 159	322
H. Richardson & D. C. Rollins	158 155	313

The prize for the highest single string was won by H. C. Rollins. Score 97.

Paints and Varnishes

Take advantage of the fine fall days to fix things up before the winter's storms arrive.

Get busy with the paint brush. Don't leave wooden surfaces unprotected or with a worn-out coat of paint. Sun, rain, frost and storm crack and check unprotected wood. That means decay and expensive repairs later.

Look around your place now and see what's to be done. Ask us for Color Cards.
