### TOO SOON!

It is much too soon to put away your rubbers for another year. We will have wet, slushy streets for some weeks yet. It is unwise to wear broken rubbers at this season, first because of the ever present danger of wet feet, and second, because mud will soon work its way through your rubbers and ruin your boots. If your rubbers are broken or likely to break soon, it would be well for you to buy today a pair of BEAR BRAND Rubber Shoes. You will know them, because the "BEAR" is stamped on the shank, and because the lining is purple. Distinctive in every way. Bear Brand Shoes are health preservers and money savers.

**Pilley's Island Now Ready-- 1917 Will See the Union Banner Flying Over All**

(Editor Mail and Advocate)

Dear Sir,—As there has not been anything in the papers from this place for a long time I thought I would try and drop you a few lines to let you know how things are around here.

Well, Sir, to start with, we elected our Road Board. The Opposition didn't know what struck them, they thought first it was all bunkum, but now they look sad, because they know they are badly left.

We had our parade on March 9th. Had a grand time, and a big turnout. We met at the Orange Hall at 11 a.m. on the day appointed and paraded to the Methodist Church where we were given a most fitting sermon by J. Moore, the school master, our pastor being absent at the time. After Church we paraded around town and then back to the hall where the ladies had a great feast prepared for us, and which all present enjoyed themselves.

Some people think the Union is going down, but Sir we think it is only beginning.

We had another dose sent us yesterday by way of public news that Patsy McGrath is chief in the "Dumping Chamber."

Now, Mr. Editor, the thing is gone too far for people to take any notice of such stuff. They may run their bunkum up before our eyes for another year and then we will wink like the other eye.

Thanking you for space, Mr. Editor, I will now close by wishing you and the F. P. U. a prosperous 1916.

**LaScie Will Help to Keep the Union Flag Flying to the Breeze**  
WILL STAND BY COAKER AND THE UNION

(Editor Mail and Advocate)

Dear Sir,—It gives me great pleasure to speak on behalf of our Union Council here at LaScie, and as its very seldom anything appears in print from us. Some may think we are growing intolerably negligent, but no, Mr. Editor, we are still helping to keep the good old Union Ship afloat and we are always ready to assist Mr. Coaker in any and every way, and to uphold the Union and principles for which it stands.

I notice an item appeared in the Daily News of Mar. 10th, signed "Uncle Bill's Wife." Now, we need no detectives to hunt up this person, for by his sense of writing, we can easily tell who the so-called one is. He referred to last spring's sealing affair and give his reason why the delay was in fixing the price on seals. He said it was due to the trouble in getting seals freighted to St. John's.

Any man with an ounce of common sense know that to be a deliberate lie. The main reason was the people could not get the price they were asking, and I say they would never have got the price had it not been for Mr. Coaker. Then I say to our readers ought not we to be very thankful to have such a man looking after our rights. He goes on to say many thanks for the pluck and enterprise of J. M. Jackman for settling the price on seals at the magnificent sum of \$4.50 per cwt. Who forced him to give this price. Why, Coaker certainly. Jackman like Bowring and others wired here saying they could not give any more than \$2.50. Then the Union here decided to wire Mr. Coaker. This they did and he in reply told them not to sell less than \$4.50. Therefore Jackman and Bowring were forced to give the latter figure.

The man who deserve our heartfelt thanks is Mr. Coaker. I would ask the humbucker who wrote to the Daily News that in future to always give credit to whom credit is due.

I wonder how do this poor num-

skull stand now when Mr. Coaker is after forcing the price to \$5.50.

ONE INTERESTED.  
LaScie, March 28, 1916.

**AMBIGUOUS**

Uncle Sol threw aside the letter he was reading and uttered an exclamation of impatience.

"Doggone!" he cried, "why can't people be more explicit."

"What's the matter, Pa?" asked Aunt Sue.

"This letter from home," Uncle Sol answered, "says father fell out of the old apple tree and broke a limb."
