PEACE DEPENDS ON ENEMY SAYS COUNT TISZA

Hungarian Premier Declares Allies Must Eventually See Futility.

ROUMANIA NEED NOT FEAR BULGARS

Yet She Has Not Remained True to Central Powers, and is Losing Favor.

By Special Wire to the Courier.

Budapest, Dec. 9.—Count Tisza, the Hungarian premier, in his speech at the latest session of parliament, invited Roumania to resume friendly relations with Austria-Hungary, and in closing referred to the prospects of peace, which, it is believed, probably foreshadows a declaration in the Reichstag to-morrow by Dr. Von Bethmann-Hollweg, German imperial chancellor. Regarding peace, Count Tisza said:

"When peace shall come depends exclusively on our enemies. The longer they are in reaching the conviction that a further continuation of the war means useless and criminal bloodshed, the greater the victories we will win till that conviction emerges. The greater the sacrifice this war lays upon us all the more severe will the peace terms be for our enemies."

Referring to Greece, the premier said: "POSITION IS DIFFICULT. We must fully recognize the present difficult position in which Greece is placed. On the other hand we must so shape events that Greece in peace times can assume such a position as naturally belongs to her."

Count Tisza said he thought that Bulgaria's attachment to the central powers gave Roumania no cause for anxiety. He asserted that in his opinion and in that of the Hungarian public, Roumania, in view of the grave and threatening danger of Russian expansion, would find its interests and a guarantee of its safety in an alliance with the dual monarchy and Germany.

LOSING CASTE
The premier further said that Roumania during the war had not fully adhered to the old policy of friendship towards Austria and Germany, and consequently no longer occupied the honorable position which many thought it should hold. "The Count continued:

"It is after all Roumania's affair to judge to which side its interests demand that it attach itself. We can wait for Roumania's decision with perfect equanimity, assured on the one hand that a well understood community of interests exists between us and Roumania, and on the other that whatever Roumania's decision we can await it with certainty that it can have no decisive effect on the fate of Hungary."

The premier's reference to peace was in answer to remarks by Count Michael Karolyi, the opposition leader, who visited America shortly before the war. Count Karolyi had said: "We began the war for the chastisement of Serbia. Inasmuch as this is now accomplished the idea of peace has become timely. Whoever takes the first step towards peace will be assigned the foremost place by history."

"There need be no fear that the enemy would regard the step as a sign of weakness. On the contrary it would be a revelation of strength."

Crossed Eyes

can usually be relieved and often permanently cured simply by the wearing of correctly prescribed glasses.

The correction of eye defects of this kind is a matter that requires the services of a highly-skilled Optometrist. Under no circumstances should a matter of this kind be entrusted to one of questionable ability.

If your child has crossed eyes we will be glad to advise you. If glasses will not relieve the difficulty we will tell you so frankly.
