The majority of men have varicocele in the first, second or third stage. In the early stages it may cause many symptoms which the patient may not recognize as arising from this disease. In fact, we have found on examination, varicocele present in hundreds of cases where the patient did not know he had it at all. It is time it will produce such symptoms as the following: Nervousness, weakness in the back, unsteady limbs, tired and exhausted feeling, pains in the loins, irritation of the bladder and kidneys, sediment and loss in urine, emaciation at night with few dreams, sexual weakness and decline of manly power—these symptoms gradually develop into NERVOUS DEBILITY and IMPOTENCY. ADDITIONAL LOCAL

You will be surprised when you see and learn the price of the beautiful art china and glassware at McClary's.

Mr. Alvin Simms and Miss K. Tanner were this morning united in marriage at the home of the groom's mother by the Rev. G. N. Simmons.

The little folks as well as their parents are interested in McClary's stock of holiday goods. Something for everybody at all prices.

Perth ratapayers will vote on a by-law on January 4th next to raise \$12,000 by debentures to purchase its electric light plant.

The W. F. M. S. of St. Paul's church, will meet at the home of Mrs. Chasels next Thursday afternoon at three o'clock.

Mrs. Charles Whaley returned to Athens from Algonquin last week. Mr. Whaley has not yet completed his work at the factory.

Rev. R. F. Oliver, of Frankville, quite recently received a donation from members of his church of a quantity of oats and a sum of money. Messrs. William Mitchell and Wesley Cavanagh made the presentation.

It has been definitely decided that the lecture to be delivered by Rev. G. O. Johnston in connection with the anniversary services of the Methodist church will be given on Monday evening, Dec. 28. The subject will be "Englishmen, Irishmen, Scotchmen."

Sore and swollen joints, sharp, shooting pains, torturing muscles, no rest, no sleep—that means rheumatism. It is a stubborn disease to fight, but Chamberlain's Pain Balm has conquered it thousands of times. One application gives relief. Try it. J. P. Lamb & Son sells it.

On the evening of Wednesday, Nov. 25, the home of Mr. and Mrs. W. Smith Harmon, was the scene of a pretty home wedding, when their second oldest daughter, Miss Sibyl G. Smith and Hilton W. Innes were united in marriage by the Rev. J. Garrett, Baptist minister of Delta.

At a church meeting in Chatham to select a new pastor there were actually more ballots found in the hat than there were voters present. Then there was a scene and charges of ballot box stuffing were hurled back and forth by the voters in a fine rage. Seems as if we can't elect even a minister without some crookedness.

A very pleasant social gathering was held at the Rectory by the Ladies' Aid on Tuesday evening. There was a large attendance of members and every one enjoyed themselves. After supper, Mrs. Wright, on behalf of the society, read an address and presented a very handsome piece of table silver to Mrs. J. Walker, who has been a very enthusiastic member, and who is leaving for Kingston.

The modelites came to a wise decision in the selection of an orchestra to assist in the presentation of "The Old Dairy Homestead." The Brockville Recorder, in speaking of this musical organization recently, said that they would be a credit to any large town or city. The modelites consider themselves very fortunate in securing their services, and doubtless their part of the programme on Friday evening will be a musical treat.

At the evening service in the Baptist church, Rev. G. N. Simmons tendered his resignation as pastor, and with deep sorrow it was accepted, and his pastorate of this church will end with the Sabbath services of the 20th inst. Mr. Simmons goes to Fonthill, Ont., where his pastoral duties will be confined to one church and where it is hoped his labors will be better suited to his present condition of health. The departure of Mr. Simmons will be sincerely regretted by the people of Athens generally.

Everything now indicates a highly successful fair here on Friday next, Dec. 11. The date was fixed by Messrs. E. D. Wilson & Son acting with J. Enright for P. Gallager & Sons of Winnipeg. Then Lynch & Moffat of Jasper chimed in and said they would be here on that date, and later Mr. William Gibson of Athens issued bills for Everts & Nevins, the well known buyers, saying that they would buy in Athens on Dec. 11. We are informed that at least two American buyers will also be here on Friday to make a bid for the birds, and there may be others. With such a competition assured, poultry raisers need have no hesitation in making Athens the market for all they have to sell.

Evidently, good prices are to be the rule. At Almonte fair, turkeys sold at from 14 to 15c, and chickens, geese and ducks at from 9 to 10c. At Lanark fair, turkeys brought 15c, ducks 11c and chickens 9c.

First and Foremost

In the field of medicine is "Hood's Sarsaparilla." It possesses actual and unequalled merit by which it cures all diseases caused or promoted by impure or impoverished blood. If you have rheumatism, dyspepsia, scurfy skin, or catarrh you may take Hood's Sarsaparilla and be cured. If you are run down and feel weak and tired, you may be sure it will do you good.

The favorite family cathartic is Hood's Pills.

A Real New Year's Gift

With a view to developing the people's ability to properly estimate the make, style and value of furniture, Mr. Geo. E. Jones has decided to offer a handsome upholstered easy chair to the person guessing the nearest to its exact weight. One guess each week will be allowed, without payment or condition of any kind, to all adults who call during this month.

An Attack of Pneumonia Warded Off

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annato Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly warded off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. For sale by J. P. Lamb & Son.

The Late Charles N. Clow

Mr. Charles N. Clow, principal of the manual training school at Stratford, died on Saturday morning last after a brief illness from typhoid fever.

The remains were brought to the home of his father, Mr. Holmes Clow, near Lyn, and thence to Athens vault. The Rev. C. H. Daly conducted service at the house and Lyn Odd Fellows were the pall-bearers. The remains were met here by a number of Athens Odd Fellows and escorted to the vault where the service of the order was conducted.

Deceased was well known and very highly esteemed in Athens. He is survived by his wife, a daughter of Mr. Alex. Tennant, of Caintown, to whom he was married a little over a year ago. Among the floral offerings were wreaths from the school in which he taught and from Mallorytown, Lyn and Athens Odd Fellows.

The Best Remedy for Croup

From the Atchison, Kan., Daily Globe

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglary. There used to be an old-fashioned remedy for croup, known as hive syrup, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by J. P. Lamb & Son.
