How do your Presidents and Kings Govern so many thousand things? The by the types, the screws and spr. Belonging to the Printer.

do, Could they not get a certain view Of work done by the Printer.

Among the ranks of human kind, Some go before and some behind, But mind them well and you will find. Not hindmost is the Printer

The lessons which you learn at school
That you might not grow up a fool,
Had all, in scientific rule,
Been published by the Printer.

The doctor cannot meet the crooks
Of all the cases, till he looks
Upon the pages of the books
Supplied him by the Printer.

The lawyer for a wit has passed, But high he his head may cast, He would be but a dunce at last, Were it not for the Printer.

Who is it that so neatly tells
The various goods the merchant sells
Inviting all the beaux and belles?
Who is it but the Printer? The classes of the human race, Of different size, or different face Appears in this and every place How obvious to tle Printer.

One sings the base, one sharps and flats, Bedecked with pantaloons and hats,

And long-tailed coats and smooth cravats Of this class is the Printer. The other sings the treble sweet. th frocks and bonnets neat,

And looks how beauteous and complete:
And lovely to to the Printer. "Tis Hymen's will of course, you know, These classes should in couples go,
And since the world will have it so,
"So be it," says the Printer,

There's not a man below the skies Who better understands to prize The charms that grace a lady's eyes, Than does this very Printer.

soli, may blue of effeminacy, but the clear, keen, deep blue of genius as though the Creator had got done using a 'prentice han' when he did that job of coloring.

Well a coloring.

Well a coloring the Creator had got done using a 'prentice han' when he did that job of ful.—Charles Ellis, in Detroit Free Press.

northern point of Blomidon, the shore bends rapidly away to the south for a ed beach at her fest. Near on her break is m

than become citizens of the Unitable States. Among the old observances is that of "Alhalereen," as they name All Hallowe'n. It is but a few years since the simple minded people actually believed that if they went to a brook and filled their mouths with water and then walked backwards to a house and histened at door or window the first name they heard would be than and of walfe. Then they would melt lead on wife. Then they would melt lead on wife. Then they would melt lead on the subject. Johnson & Co will send, them. When these are elogged and choked with matter which ought not to be there, when they are allowed. And what they do, they cannot do well. Call teeld, cough, croup, pneumonia catarh, consumption, or any of the family of throat and nose and head and unwholesome odors, suffer from similar diseases. Ayar's Ague Cure which any druggist will sell you at 75 cents, consumption on this subject. Johnson & Co will send, them. When these are elogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well. Call teeld, cough, croup, pneumonia catarh, consumption, or any of the family of throat and nose and head and unwholesome odors, suffer from similar diseases. Ayar's Ague Cure which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain.

"alballereen," and let it drop into a bucket of water. The shape it assumed in

A smoke-stack—a bunch of cigars.

The great health restorer, West's Liver Pills. They regulate the liver and promote good digestion. All druggists. man she who dropped the molten lead should marry. Religiously they would put beech nuts on the fire shovel—a curiosity that may still be found in some re mote corners-and name them, fu!ly be lieving that the two that jumped off the shovel together would be married and as it came with a kind of superstitious comold faith alive. A party would go out on alhallereen and get into a cabbage field by climbing the high rail fence backwards. Then each would pull just ing. one stalk. If it was straight, that indied, the opposite. The innocents may be There are now about 11,000. pardoned if, in the dark, some threw their "crooked sticks"-cabbage stalksaway and sought for straight ones. When the out-of-doors fun was done

But these are all innocent old customs that are being outgrown. Other ancient customs have bred great harm. For instance, a hundred years ago in all New England it was a common thing to hear bottle. All druggists.

he gets mashed.

West's Cough Syrup, a sure cure for coughs, colds, and all diseases of the throughout the world. Price, twenty-five cents a bottle. Be sure, and set for "as bottle. Be sure, and set for "as bottle. All druggists."

White Bronze.

YARMOUTH, MAINE, July 15, 1885. YARMOUTH, MAINE, July 15, 1885. chalculation of the summer to your enquiry about my White Bronze Monument, I would say that it stands on the sea shore ten feet above high water mark, it is twenty-five feet high, base four feet. It has been erected over ten years, and is as good now as when placed in position; it has not been effected in the least by either heat or cold; no moss or foreign substances gather or it as do on marble; it is as clear and bright as when new, and (in my opinion) White Bronze is superior to either marble or granite for monumental purposes, and I have no hesitation in recommending it to others.

Yours. &c., John P. Carswell.

"This is to certify that during the summer 1868 at the Schronbrun Palace Gardens, Vienna, Austria. 1 saw an equestrian statue of Prince Joseph

Palace Gardens, Vienna, Austria. 1 saw an equestrian statue of Prince Joseph which had been erected 85 years. It was cast of pure zine, and in appearance was fresh and perfect."
