The Gale Meetings Are Closed.

Never probably has an Evangelist visited Wolfville with more power than Evangelist Gale. Coming before his audience as he did in his quiet way, so unlike many Evangelists, he sought first to win their confidence and esteem, and by a number of well chosen addresses, to prepare the hearts of Christians for the season of harvesting.

Night after night, notwithstanding the rain and mud, vast companies assembled in College Hall, apparently eager to hear what message each night would bring—some believing, some sceptical, some praying, some scoffing, but the faith of the strong leader never wavered.

On the sixth night came the turning point in the nature of the meetings. Then it was that the first appeal was made to those who were not Christians and this strong and noble appeal shall not soon be forgotten.

One of the most interesting features of the services held by the Evangelist were the afternoon meetings held in the Baptist church.

On Sunday last Mr. Gale conducted six services. At 9.45 a. m. a meeting in the Baptist church for all who could attend and a most fitting address was given at the opening of that bright day.

The farewell service was held on Monday evening, Mr. Gale taking for his closing talk—"The harvest is passed, the summer is ended and we are not saved."

Baptist District Meeting.

The next Baptist District meeting of Kings county meets at Waterville, Tuesday, the 13th inst.

The attendance was not large. The reports of the secretary, treasurer and managing committee were read.

The following officers were elected for ensuing year: President—C. C. Vaux; Vice-President—G. W. Rand; Secretary—A. J. Woodman; Treasurer—C. H. Borden.

The managing committee for the year, was elected as follows: C. A. Patrin, C. H. Borden, J. B. Angus. The retiring trustees were re-elected for the ensuing year.

A resolution was passed authorizing the secretary to proceed and collect all amounts due the corporation at once. In future all lots sold must be paid for at time of sale.

The trustees were requested to confer with the town council and ascertain if arrangements can be made to have the management of the cemetery placed under the control of that body.
