Local Happenings.

The Y's will meet at Mrs. John Kaye's on Monday evening.

Quite a number of tourists have arrived in Wolfville during the past week or two.

The anniversary service of St. James' church, Kentville, will be held on Sunday next.

Haying is going on this week. The crop, it is said will not be large but of an excellent quality.

The street authorities are now completing the permanent street to the eastern extremity of Main street.

A picnic party of retired sea captains of Hantsport and their wives went to White Rock on Friday last.

It is expected that the Presbyterian pulpit will be occupied next Sunday morning by Rev. Dr. Orlerson, of Kores.

Five years ago was the first public flight of an airman. Now there are 7,000 licensed aviators and 10,000 learning to operate an air ship.

We shall be very much helped if those who are indebted to THE ACADIAN in any way will make payment during the next few days. Money is needed.

There will be a tennis tea on the club grounds on Saturday, July 25th. The hostesses will be Mrs. J. T. Roach, Miss Fern Woodman and the Misses Chambers.

The proposed concert to be given at the armories, Canning, announced in THE ACADIAN, has been postponed indefinitely on account of the serious illness of Dr. Miller.

The members of the W. C. T. U. will hold a reception on the lawn of Mrs. L. W. Sleep Tuesday, 28th, from 4 to 6, in honor of Mrs. A. Powers, Provincial President.

THE ACADIAN regrets exceedingly to learn of the serious illness of Dr. J. W. Miller, the popular physician of Canning. We trust he may speedily be restored to health.

The Missionary Summer Conference begins its third annual session for the Maritime Provinces to-day, in Wolfville. It is expected there will be a large number in attendance.

Mrs. Smith, of China, will speak in the vestry of the Baptist church next Tuesday evening at 7 o'clock. All the young people of the different churches are cordially invited.

We notice by this week's Wesleyan that Rev. W. H. Rackham, pastor of the Wolfville Methodist church, has accepted an invitation to the pastorate of Springhill for the term following the conference of 1915.

Mr. R. N. Beckwith, one of the oldest and most respected citizens of Halifax, died on Friday last. He was a son of the late Mayhew Beckwith, Esq., who formerly represented this county in the Legislature of Nova Scotia.

The electric lights were turned on at Hantsport on Tuesday evening last for a few hours, and every evening since. We understand that on Monday, July 27th, all the street lights will be completed, and the regular service will commence from then.

The garden party given by the ladies of St. John's church on Wednesday afternoon was a decided success. The college grounds presented a fine appearance and the booths and tables looked very pretty and were liberally patronized. Something like \$100 was realized from the proceeds.

The ladies of St. John's church wish through THE ACADIAN to thank the College authorities for the use of the grounds, the gentlemen who so kindly gave the use of automobiles and time, and the public generally for helping to make the garden party on Wednesday afternoon such an unqualified success.

The annual picnic of the R. A. E. Club was held on Tuesday afternoon on the beautiful grounds of Mr. H. O. Collins, at 'Wynholm.' The day was a pleasant one and there was a goodly attendance of ladies. Arranged on the broad lawn, the tables presented a most beautiful and tempting appearance, and demonstrated the ability of the Wolfville ladies in the culinary art. During the early evening the enjoyment of the occasion was heightened by the showers, which did not, however, mar the success of the occasion.

Don't forget that we have the agency for the famous S. & S. Race Ball game. F. C. GODFREY, Hardware.

The girls of the 'B' class of Wolfville High School, with a few friends and Mrs. James Woodman as chaperon, spent a very enjoyable week at 'Mosquito Paradise,' West Hantsline Beach, camping. The residents of North Grand Pre were most kind in entertaining the young people and thus aided in making their pleasure trip more enjoyable. There were about twenty visitors at the camp at different times and with bonfires, candy pulls and sings the days passed all too quickly. The campers wish to offer their thanks to the North Grand Pre inhabitants who so kindly entertained them at their homes.

The Wonderful Edison Talking Pictures.

'How in the world is it done?' and 'What will the wizard Edison do next?' are the interrogations which always come from those who attend the public showings of the wonderful Edison Talking Pictures which are announced for a second presentation at the Opera House, Wolfville, July 31st and Aug. 1 with a matinee Saturday afternoon. The Edison 'Talkies' are all they are cracked up to be, and there is no doubt but they present a remarkable step in the advancement of this form of entertainment. The audience is entertained with comedy, vaudeville, minstrelsy, comic and grand opera, and if you visit the Opera House during this engagement Mr. Edison will again show every movement and gesture of the artist synchronizing perfectly with the singing or speaking voice, clear and distinct. The singing portion of the program is one of the main features and numbers from 'Olivette' and the 'Mascott' will be heard. These are given by a splendid company of opera singers and beautifully done. Then there are vaudeville and comedy numbers, and a talk on the science of baseball by John J. McGraw, the expert and leader of the New York Giants. The Edison 'Talkies' are a sure fire success and are becoming very popular all over the world with amusement seekers.

Joseph C. Starr Dead.

The death of Joseph Christopher Starr, a member of a very well known Provincial family, occurred at Bridgewater on Sunday after an illness of several months duration. Mr. Starr was the second son of the late Col. Richard Starr, of Starr's Point, and was a former resident of Cornwallis and Kentville, until 1877, when his wife, who was the youngest daughter of the late W. H. Chipman, M. P., died. Mr. Starr travelled abroad for some years and subsequently married Miss Teedy. Since then he has resided in Kentville and Bridgewater. He is survived by his widow and son, W. H. Starr; two brothers, R. W. and C. R. H. Starr, of Wolfville; two sisters, Mrs. Pattillo, of Toronto, and Mrs. Ross Chipman of Cornwallis.

Sixtieth Anniversary.

The sixtieth anniversary of the wedding of Jas. T. Schofield and Sarah Pick, both of White Rock, was made the occasion of a very pleasant gathering at their residence on the old Schofield farm, the former home of Mr. Schofield's father, on Saturday, July 18th. The table was set under the wide spreading branches of an apple tree, twenty inches in diameter, that Mr. Schofield, in his boyhood, watched his father set out. About thirty-five gathered to partake of the good things provided. The aged couple are respectively 87 and 84 years of age. Mr. Schofield claims to have seen eight generations, from his great great grandfater to his great grandchild. Among the invited guests were Mr. and Mrs. Robert Schofield, aged 80 and 84; Mr. and Mrs. Allen Benjamin, 81 and 75—these ladies being sisters of the bride. It is a notable fact that these three sisters and Mrs. Falkner, the only other sister, have all lived to see fiftieth wedding anniversaries with their husbands. Another friend and relative present was Mrs. Alice Pick, aged 80.

All the surviving children of Mr. and Mrs. Schofield were present, Mrs. Frank Kicker, of Maine, coming home for the occasion; also a number of grandchildren and one great grandchild, son of Mr. William Murphy, of Wolfville.

Of Mr. Schofield's brothers and sisters only one brother and two sisters are living. Charles, Mrs. Jehiel Kinney, formerly of Gesperous, now of Boston, Mrs. Leader Schofield, Alton, N. S. They are all past 70. None were able to be present. Of those deceased ones died in early life; all were past 70 years of age. Mr. Schofield is well and hearty and still able to do a good day's work. Mrs. Schofield does her own housework. THE ACADIAN joins their numerous friends in hearty congratulations, and wishes them continued health and happiness.

Gasoline engines and equipment put in first class order at the WOLFVILLE GARAGE. Now is the time to bring them along and get them ready for spring.

Good Fruit.

The most successful fruit growers of the Annapolis Valley have for years followed the practice of applying Murate of Potash mixed with Basic Slag and Bone Meal, or other Phosphate fertilizer, to their orchards, depending on a crop of clover to supply the necessary Nitrogen and Humus.

There is no doubt that the adoption of this ideal system is directly responsible to the remarkable color and quality of Nova Scotia apples, which features have gained for them so many awards and established their enviable reputation in the markets of Britain.

We can supply you with all high grade fertilizer materials, Potash, Nitrate of Soda, Acid Phosphate, Basic Slag, etc., at lowest prices. You can mix these yourself at home and save 25 to 40 per cent in fertilizer cost.
