EFEP TOUR MOUTH SHUT.

A New OnLEANS SERVICE - Dev of the residents of the lower part of the sity of late years that are familier with one of the incidents A New Onteams Sustained. How of ity of late years but any lamiting with one of the incidents we are new re-sting. They have often easy in the wilight of Semmer evenings a singular built of Semmer evenings a singular (Music street, has appeared an old ina, with long gray hair, and cled in base and colservations on this subject, day among civilized nations, finding that individuals who has bungette that mong civilized nations, finding that individuals who has bungette that individuals who has bungette that individuals who has bulket.

apparition. Suddenly on the bangette of Music street, has appeared an old bar made observations on this subject. fing amount were faded and were, but re-realed a richness that in earlier days was more fitted for a court than an Amer-ter and though a bunchback, and but re-tio proportions. In the breadth of the deformity would have been of gigan-tio proportions. In the breadth of the deformity would have been of gigan-tio proportions. In the breadth of the deformity would have been of gigan-tio proportions. In the breadth of the deformity would have been of gigan-tio proportions. In the breadth of the deformity would have been of gigan-tio proportions. In the breadth of the deformity would have been of gigan-tio proportions arms, resided marrelous dreagth, while the lower limbs fashioush in magniform strength and heauty, arrested attention and command-ed admiration wherever he appeared. It is elient abstraction pureued his conclusion that here y may inculcate upon the unan race, and which constants and adding figure of the lower with the the pansed in their play to watch the re-red in the base forty years ago thas the study frame remained facilities the tra-tion a little brick britte children the induction, to restrain children the induction, to restrain children for a stand frame remained facilities the act of apeak-meral injunction, to restrain children the is face been some samed with wrinkles. The lived in a little brick britting this states back from the street. Wild vines creep of the crambling tiles and wreather fautastic mapse in the children in value of his simple fautastic mapse in the children in value of his simple fautastic mapse in the children in value of his simple fautastic mapse in the children in value of his simple fautastic mapse in the children in value of his simple fautastic mapse in the children in value of his simple fautastic mapse in the children in value of his simple fautastic mapse in the children in value of his simple fa fastastic shapes on the chimney tops. In the yard beautiful flowers bloomed all purpose, surpassing all others in value, I would spend it to print four millions of my books, and distribute them among the year round, and their rich perfume made the air sensuous and sweet the year round, and their rich perfume of my books, and distribute them smong made the air senanous and sweek. At four million mothers, rich as well as pror-a window shaded by a trells work, hid in the bloom of roess, the old man sat of afternoons and watched the sun's de-cline. No one clee was ever seen in the honse—No one ever crossed the threshold; and so he lived, a smileless, ad old man in a locely honse But one day not a great while since the neigh-tors asw that the blinds in the honse were closed. The old man had not as

were closed. The blinds in the house good. The sir, by being inhaled through the nose, is more periectly freed from grass had began to grow from the when inhaled by the most, (which is of the marble slab at the door, great importance to people with is of the strength the streng grass had begun to grow from the chinks of the marble alab at the door, and it began to be whispered about that the elf man was dead. At last one day, it is neighbors went in (they were poor people but kindly and true). Sure interferes with digestion when inhaled by the mouth is dires the saliva, and thu-nose; while it dries the saliva, and thu-interferes with digestion when inhaled by the mouth; and those who alcep with their mouths shut will not have that dry, unpleasant taste when they awake in the morning, and are less subject to that noctural social nuisance—anoring. There are a few other points of minor importance, but worth mentioning. A habitually open mouth give a most stu-pid expression to any face, and. usually,

importance, but worth mentioning. A habitually open mouth give a most stu-pid expression to any face, and, naually,

and a

coid, sevens managed from the dest of dia habitually open mouth give a most stu-habitually open mouth give a most stu-habitually open mouth give a most stu-pid expression to any face, and usually, ouly the ignorant classes have this ha-bit; while the more refined generally possess the opposite habit, and keep their mouths instinctively shut. However, in regard to the theory their mouths instinctively shut. However, in regard to the theory their mouths instinctively shut. However, in regard to the theory their mouths instinctively shut. However, in regard to the theory their mouths instinctively shut. However, in regard to the theory their mouths instinctively shut. However, in regard to the theory their mouths instinctively shut. However, in regard to the theory their mouths instinctively shut. However, in regard to the theory their mouths instinctively shut. However, in regard to the theory these worder: "I am Chartes, the organization of the individual. The themes and given to the Compte d'Artois. I could have forgiven him this but he deserted me when most I needed his help and assistance. I revenged myself and assocrate his overthrow. and am happy since he died in exils." This was all. Over his life silence now FOR SALE. FOR BALLE. The subscriber offers for Sal-Sixty Acres til-ment of Orweil (north), within one mile of the Brash Wharf, where the Steamer Heather Belle calls twice a week, and near to stores, charches and mills. The district Schoolhouse is on the property. Pifty screen the greater portion of it having been coverd hast year with mussel mud, of which inexhan-tible bed ife in front of the farm. Silk Mized Coatings, is answer :--" And now, fourthly, how many gaols

This is a poser. Well, here goes. have been in gaol more than one hundr times! There are but two cousties in England that I have escaped 'limbo.' I have also been in soveral in Scotland and Wales. In the great majority of cases drunkenness has been the cause ; I have never been convicted of felony or larceeny, but I have for obtaining money under false preteuces, and several times for hawking without license, many times vagrancy smashing windows, and other offsuces, for the whole of which.'I rich-ly deserve hanging. To this I presume, sir, you will say Amen.'' Professional vagabondism is, we pre-sume, less common in this country than imes! There are but two counties i Silk Umbrellas.

rotessional vagabondism is, we pre-sume, less common in this country than in Europe, but we have other classes of habitual offenders whose cases present a not less interesting problem to the stadents of cosing scourse udents of social scie

The other day in San Francisco, Mrs. . C. Stanton, who lectures in support of Woman's Rights, made a tremendous thrust at Horace Greely, who attacks her whims and nonsense; she said:-'' Well, when I went before the Conwell, when I went before the Con-vention and was speaking, llorace Greely rose up as only Ilorace Greely can, and said: "If you vote are you willing to fight ?" To which I replied, Certainly, just as you fought in the ate war, by sending a substitute.'

"Vill you dake sumding?" said a Germa setotaller to a friend, while standing near rern. "I don't care if I do," was the ... "Vell, den, let us dake a valk!" ply.
