

Only Medicine That Did Any Good

After Suffering Tortures For Years, This Lady Found Happy Relief In "Fruit-atives".

Frankville, Ont., June 14th, 1908. "I have received most wonderful benefit from taking 'Fruit-atives'. I suffered for years from headaches and pain in the back, and I consulted doctors and took every remedy obtainable without any relief. Then I began taking 'Fruit-atives' and this was the only medicine that ever did me any real good. I took several boxes altogether, and now I am entirely well of all my dreadful headaches and backaches.

MRS. FRANK EATON

I take "Fruit-atives" occasionally still, but I am quite cured of a trouble that was said to be incurable. I give this testimony voluntarily, in order that others who suffer as I suffered may try this wonderful medicine and be cured. (Signed) MRS. FRANK EATON. "Fruit-atives" are sold by all dealers at 50c a box, 6 for \$2.50 or trial box, 25c - or sent post-paid on receipt of price by Fruit-atives Limited, Ottawa.

THE INSURANCE PROBLEM.

On Wednesday morning at eleven o'clock all the local insurance men assembled at the Hotel Miramichi to meet a delegation from the St. John Board of Fire underwriters, for the purpose of discussing the proposed insurance legislation soon to come up before the Senate. This movement on the part of the insurance men suggests to our minds the high tariff of insurance in Newcastle. There has been practically no reduction in rate since the first installation of the water system here, although year by year the system is being extended and the strength of the fire department increased. The insurance rates on isolated dwellings is abnormally high. Indeed our rates are, as a rule, considerably higher than in Quebec and Ontario, where non-tariff companies have made competition more keen than in the lower provinces. A general rebellion or insurance war might have the effect of reducing insurance rates here or at least lead to a more equal distribution.

The following conversation between two little girls who are not yet old enough to go to school was recently overheard:—What makes a horse act naughty when he sees an auto? asks Phyllis. "It's this way," replied Olive. "Horses is used to seein' other horses pullin' rigs, and they don't know what to think of 'em going a'long without a horse. I guess if you was to see a pair of pants walkin' down the street without a man in 'em you would be scared, too."
