For five years I suffered from severe Chronic Bronchitis, for which the doctors and numerous statent medicines failed to give relief. My physician and friends advised a change of climate as my only lope. HAWKEF'S BAISAM OF TOLU AND WILD CHERRY WAS recommended to me, and I am happy to say that I was entirely cured before I had used two large bottles. I consider it to be truly a wonderful medicine, and cheerfully recommend it to all so afflicted. Never have the people of this Province had such a chance of buying Mantles, Overcoats, Reefers, & Suits as now Prowse Bros. seem to be determined to do the business even if they don't make cent out of you.
