## Suffered With Nerve Trouble FOR TWO YEARS

IMPOSSIBLE FOR HIM TO SLEEP

Mr. Chas. W. Wood, 34 Terrace St.,  
Montreal, Que., writes:—"For two years  
I had suffered with nerve trouble, and it  
was impossible for me to sleep. It did  
not matter what time I went to bed, in  
the morning I was even worse than the  
night before. I consulted a doctor, and  
he gave me a tonic to take a half hour  
before going to bed. It was all right for  
a time, but the old trouble returned with  
greater force than before. One of the  
boys who works with me, gave me half  
pills of Milburn's Heart and Nerve  
Pills. I took them, and I got such  
satisfaction that I got another box, and  
before I finished it I could enjoy sleep  
from 10 p.m. until 6 a.m., and now feel  
good."

Milburn's Heart and Nerve Pills are  
50 cents per box, or 3 boxes for \$1.25, at  
all dealers, or mailed direct on receipt of  
price by the T. Milburn Co., Limited,

## London Times Makes An Interesting Suggestion.

London, July 26.—An interest-  
ing suggestion was made by the  
Times in an editorial today.

"It would be unbecoming," it  
says, "for Mr. Borden to announce  
his policy on so large and moment-  
ous a matter as Canada's contribu-  
tion to the navy anywhere but in the  
Canadian parliament. There are few things we can sup-  
pose which would more surely  
deepen the effect of his statement  
when it comes and do more to knit  
yet more closely the ties which  
his visit here and his conferences  
with ministers have done so much to  
strengthen, than on his return to  
the Dominion for two or three  
statesmen with whom he has taken  
council in Whitehall to accom-  
pany."

"The prime minister and the  
first lord have been to see with  
their own eyes the position in the  
Mediterranean and we doubt not  
they have learned much by their  
visit. Could not Mr. Asquith and  
Mr. Churchill devote part of the  
coming recess to visit to Canada?  
We are confident that such a step  
would be taken by all the world  
as marking a new date in the  
annals of the Empire."

The Standard's Paris correspon-  
dent noting the arrival of Mr.  
Pelletier there announces that  
Premier Poincaré will preside at a  
luncheon given in honor of the  
Canadians by the Franco-American  
committee on Tuesday. The  
correspondent also sends the views  
published in L'Action.

FRANCO-CanADIAN RELATIONS.  
"England," it says, "cannot do  
otherwise than Foster the Franco-  
Canadian sympathies which is an  
excellent speculation for her. The  
more love Canada bears towards  
France the more ironclad Eng-  
land can ask, if she says that  
British ships will help to defend  
France, while some day the united  
forces will join in battle against a  
common foe."

"When the day comes and  
British Dreadnoughts presented  
by Canada thunder in the North  
Sea, it will not only be for the  
honor and interest of Old England  
but for the glory and safety of  
our own country. In building  
battleships for the United King-  
dom, Canadians will prove faithful  
sons of both their fatherland,  
England and of their first mother,  
France."

The Pall Mall Gazette tonight  
says: "There probably exists in  
the mind of many people the idea  
that to welcome the desire of the  
Dominions to join in the work of  
naval defence relieves us from the  
need to make supreme efforts,  
which political strategical situa-  
tions so obviously demand. In this  
matter judicious reticence is of  
service."

## BECAME SO WEAK FROM DIARRHŒA Had To Quit Work

Diarrhœa, especially if left to run any  
length of time, causes great weakness,  
so the only thing to prevent this is to  
check it on its first appearance. You  
will find that a few doses of Dr. Fowler's  
Extract of Wild Strawberry will do this  
quickly and effectively. Mr. Jno. R.  
Childerhouse, Orillia, Ont., writes:  
"When in Fort William, last summer, I  
was taken sick with diarrhœa, and  
became so weak and suffered such great  
pain, I had to quit work. Our manager  
advised me to try Dr. Fowler's Extract  
of Wild Strawberry, so on my way home  
I bought a bottle, and after taking four  
doses I was cured. We always keep a  
bottle in the house. We have also used  
it for our children, and find it an excellent  
remedy for summer complaint."

Price 35 cents. When you go to get a  
bottle of "Dr. Fowler's" insist on being  
given what you ask for, as we know of  
many cases where unscrupulous dealers  
have handed out some other preparation.  
The genuine is manufactured only by  
The T. Milburn Co., Limited, Toronto,  
Ont.

the highest importance, a fact  
hinted at yesterday by Mr. Hazen  
in a most delicate way.

"We warmly appreciate the  
repeated manifestations of solid-  
arity which have been called forth  
but it is not for us to discuss what  
the Dominions will or will not do,  
or take their good intentions into  
account in estimating our duty.  
There is too much babble and gush  
over the action of Canadian  
ministers, to be helpful to them or  
agreeable to Canadian people."

## The All Canadian Route To Montreal.

Via the Intercolonial Railway  
Maritime Express is the only All  
Canadian Route to Quebec and  
Montreal from the Maritime provinces.  
The Maritime Express is  
generally admitted by experienced  
travellers to be the most com-  
fortable train in America. This  
is especially true in regard to  
the dining and sleeping car  
services. The diners of the L. O.  
R. are roomy and well ventilated  
and furnished in the best of taste.  
The most excellent meals are  
served. Table d'hôte at a price  
away below the a la carte rates pre-  
vailing on the company owned  
lines. The sleeping coaches are  
up to date in every particular,  
and the smoothness of the road-  
bed makes the long journey  
easy and pleasant. Being popu-  
lar with a class of travellers  
who are generally found to be the  
acme of good company, the  
through journey is never found  
dull, and even during the winter  
months there is much of scenic in-  
terest in the day's ride through  
the Province of Quebec. Montreal  
is reached at the convenient hour  
of 6:30 p. m. and connections are  
made at Bonaventure Union Station  
with the through trains of the  
Grand Trunk Railway for Toronto,  
Buffalo, Detroit, Chicago and other  
points in Western Canada and the  
United States. Connecting train  
for the Maritime leaves Picton at  
14:20—tf.
