INSURANCE AGENCIES M. R. P. B. BLUETT, Agent for the Liver-pool and London, Britania, Fire & Life, Itsurance Company, Goderich. 10.33-14 cumseth Division.

The time is now fast approaching when you will be called upon to exercise the privilege of electing your Representative for the Legislative Council of the Province, and in the fulfilment of that duty to select a man in the forniment of that only to select a man in whom you have full confidence that he will use his best exertions to promote your interests, at the same time that he also fulfills the high claims which, in his Legislature capacity, the country at large will have upon him. Twenty-nine years experience and the best

portion of my life devoted to the settlemen of these counties and the promotion of their interests—added to an intimate acquaintance with every individual amongst the older setwith every individual amongst the older set-lers, whose advance in worldly prosperity from year to year I have watched with interest and labored to promote—have, I think I may without prestmption say, qualified me for that position.

ledge of them, and of the measure of ability with which these important ob-jects have been carried out; will enable you to determine hear far your interests are likely to

be promoted by placing me in the high posi-tion of your Representative in the Upper Chamber of the Legislature. My politics, which have always been moderate, are equally well known to you all; and it is, therefore, hardly necessary for me to refer to them in this uddress, since they have undergone no other change than such as the progressive Legislation of the Country, both Imperial and Colonial, have induced, and

Imperial and Colonial, have induced, and which, I may be allowed to say, have removed forever, the grand distinctions hitherto existing between Whig and Tory.

The only questions of a political character now appearing to claim special attention, are Education, Representation by Population, and the Hudson's Bay Territory.

In reference to Eddaction, my conviction is, that it is for your interests, and for the well are of the United Provinces, to allow the present Common School Agt to continue in

present Common School Agt to continue in full force, and untouched, for it appears to work well, and, as I believe, gives very general satisfaction; but should the question be brought up for discussion, and any amendment be proposed, in that Act, I shall then, as on every other question, be prepared to give them that consideration which the great importance the subject entitles it to.

I the subject entities it to.

The principle of Representation by Populaion shall receive my warmest support, for it has my unqualified approval.

And in regard to the Hudson's Bay question I shall be prepared when it is brought forward to support the interests of Canada to

I am now as I have hitherto been, a manof progress and I shall ever to the best of my ability advocate judicious improvements for the benefit of the Country. I shall endeavor o promote all objects in which your real In erests are involved and II shall always be

Iound advocating a wise economy in public Expenditure.

In conclusion, my long connection with the Counties of Ilugon and Perth—the belief that I understand their Interests, and a determination to promote them to the beat of my ability, embolden me to solicit your suffrages to place

Head Omec—approximative Linear L tion to promote them to the best of my ability, embolden me to solicit your suffrages to place me as your Representative in the legislative Council and should I succeed in obtaining that great object of my ambition, I shall ever look upon it with pride and satisfaction as an acknowledgment on your part that my past labors have merited approbation, and as an assurance of your confidence in my continued devotion to the furtherance of your welfare and inferests and which as one of yourselves are identical with my own.

I remain. Gentlemen, Your faithful serv's, THOMAS MERCER JONES
