GODERICH. ONTARIO.

And is despatched to all parts of the surround ag country by the earliest mails and trains.

By general admission it has a larger circulation than any other newspaper in this part of the country, d is one of the raciest, newsiest sund most reliable journals in Ontario possessing, as it does, the fore-going essentials and being in addition to the above, a first-class family and fireside paper—it is therefore a most desirable advertising medium.

Terms.—\$1.50 in advance, postage pre-paid TERMS.—\$1.50 in advance, postage pre-paid by publishers; \$1.75, if paid before six months 12.00 if not so paid. This rule will be strictly

RATES OF ADVERTISING.—Eight cents perine for first insertion; three cents per line for each subsequent insertion. Yearly, half-yearly and quarterly contracts at reduced rates. JOB PRINTING.... We have also a first-class jobbing department in connection, and possessing the most complete out-fit and best facilities for turning out work in Goderich, are prepared to do business in that line at prices that cannot be beaten, and of a quality that cannot be surpassed.—Terms Cash

FRIDAY, APRIL 27th, 1883.

Orange Bill.

House at Ottawa to lick the proposed ture is not as bright as it was a few be thrown out of consideration. Dominion license bill into shape is weeks since. With the Muskoka electron the Government works at the harlaughable in the extreme. The bantlition it appears to have spent its force. Iron the dovernment works at the bor was by way of rent from lessees of

Macdonald served for perjury on Monday last, in Toronto. The affair is looked upon by all parties as a bit of petty apleen on the part of the redoubtable ago; and Mr. Hart, who was largely elected in Prince Edward by Conservative ed in Prince Edward by Conservative \$3,000 in 1879, to about \$1,000 in 1879, to about \$1,000 in general who failed to get his "thirty pieces of silver" from the present Preterialists, and the Reform petition the present Preterialists, and the Reform petition were continued all revenue to the Gov. in 1878.

decorate the 33rd Batt, with helmets instead of the abominable and unsightly forage caps. The idea of giving the boys decent head gear is a good one, but, isn't it about time the Minister of Militia took the matter up, and put a respectable hat upon the head of every Canadian volunteer.

An account of the doings of the dele-

Catholics, has of late had occasion to criticise Mr. John J. Hawkins, the gentleman who fills the seat for Bothwell in the Dominion House. Mr. Hawkins has undertaken to read the Canadian out of the party therefor, and the latter rises to demur in a most vigorous fash-hion. In a leading article in the Canadian of April 24th, we observe that J. J.H. is referred to as "the silver-tongue of Grand River rearer;" as the man who can feel as a construction of the party the reacher of Grand River rearer; as the man who whether the taily is near ready we discover to our chagrin that it is only the woods in winter, and during the sum of the sum of the party there are constructed at the various shows through out the county. Well deserved.

The boiling kettles at nearly every house naturally suggest many ideas to solve the tailing of the construction of April 24th, we observe that J. J.H. is referred to as "the silver-tongue of Grand River rearer; as the man who whether the taily is near ready we discover to our chagrin that it is only the woods in winter, and during the sum of the woods in winter, and during the sum of the woods in winter, and during the sum of the woods in winter, and during the sum of the party there are constructed as "the party therefore, and the latter rises to demur in a most vigorous fash-hion. In a leading article in the Canadian of the party therefor, and the latter rises to demur in a most vigorous fash-hion. In a leading article in the Canadian of the party therefor, and the latter rises to demur in a most vigorous fash-hion. In a leading article in the Canadian of the party therefor, and the latter rises to demur in a most vigorous fash-hion. In a leading article in the Canadian of the party therefor, and the party therefore, and the party therefor, and the latter rises to demur in a most vigorous fash-hion. In a leading article in the Canadian of the party therefore, and the party therefore are destroying the trade at Goderich hion, that the set the water of life free by; "Come unto Me, all ye one's mind, but after anxious enquiry as to defrand River rearer; as the man who years ago "went up to Glencoe to deposite our chagrin that it is only the women folk "bilin sope."

The narrow minded, braggy buffoon who wrote the item last week about the young man of the south end" never laid claim to even a fair share of common sense, and his breathings of last week show conclusively that his claims stead of belonging to the great Conservative party, the party belonged to him;" that although Mr. Hawkins has manage the party of the "Fool's Paradise" every injut might improve his morals, and it up for use, but there would be no one to rent it as long as they demonstrate the past of the sole of the foot. Well might food say, "Look unto Me, and be yet saved, all the ends of the earth." And the woods in winter, and during the sum, the docks:

The hard to the sole of the foot. Well might the sum, the docks:

The hard to the sole of the foot. Well might the sum, the docks:

The hard to the sole of the foot. Well stead of belonging to the great Conserva-tive party, the party belonged to him;" that although Mr. Hawkins has manag-tive party belonged to him;" that although Mr. Hawkins has manag-night might improve his morals, and it ed to get into Parliament, "like the fam-ous fly in amber, the puzzle is how he that the waters have to some extent got there."
