LAWN TENNIS.—A match game of tennis was played on the grounds of Mr. R. S. Williams, on Friday last, between Messrs C. C. Ross and E. Elwood, Goderich, and Messrs F. G. Peto and Koole, of Clinton, in which Goderich won by a score of 6-3, 6-4 and 6-4.

Capt. Gibson returned on Saturday from a visit to members of his family in the Northwest. He expresses himself well pleased with the country and says the crop prospects are good in the localities visited by him. He experienced much benefit from his trip physically.

PROVINCIAL EXHIBITION.—We have received from the Secretary, Mr. Henry Wade, the prize list of the Provincial exhibition, which will be held in London in September next, beginning on the 15th and ending on the 14th. In addition to the ordinary attractions of the exhibition the international bench show of dogs will be held on the 10th, 11th, 12th and 13th of Sept. Persons wishing to obtain copies of the prize list, are requested to write to the secretary at Toronto.

CRIMINAL RETURNS.—The schedule of convictions at the County Judge's criminal court and general sessions of the peace for Huron, for the six months ending July 1st, last, show that of fourteen cases tried, in thirteen a verdict of guilty was rendered, and only one found not guilty. This light list is a very good record for so large a county and the result is very creditable to Mr. Lewis, our crown attorney. The list comprises eleven larcenies, one burglary, one false pretence and one assault.

A man recently was heavily fined for sending false news to local newspapers. The magistrate, before whom the case came, pointed out how much the proprietor of a newspaper depended on the good faith of its informants in localities where he might have no personal knowledge to guide him. The practical joker or malicious falsifier who may think it rather a clever thing to take in a newspaper in this way will for the future be wise in remembering that it is a dangerous game to play, even if the editor is neither pugnacious nor a good shot.

The Dominion Illustrated recently had a couple of fine Goderich views from photographs taken by our young townsman, Mr. J. M. Williams. One is taken from the south pier, and shows the lighthouse and the beach towards the harbor, while the other represents an Indian encampment on the shores of Lake Huron, taken last summer during the stay of a small band in this neighborhood. Both views look exceedingly well and rival the best in that beautiful publication. As an amateur photographer Mr. Williams has few equals.

THE COMEDY "SCHOOL."—Robertson's well known comedy of "School" will shortly be performed in the Grand Opera House, for the benefit of St. Peter's church. The play is undergoing careful handling by local artists, and will be placed upon the boards on Thursday July 26th. The comedy is artistic in scenic effects, high in tone, rich in humour, and as the dramatic persons are sustained by the following ladies and gentlemen, much enjoyment may be anticipated: The Misses Chilton, Williams, Start, Smith, Horton and Doyle; Messrs Malcolmson, Reynolds, Murray and Kidd. The chief character of the hero, Jack Forzitt, will be taken by Mr. C. W. Andrews. For further particulars see posters. Plan of the hall will be on view as usual at Fraser & Porter's.

BURIAL PRESBYTERY.—The Presbytery of Huron met in Knox church, Goderich, on Tuesday, 9th inst., at 11 a.m. After some business was transacted by Mr. Martin, the retiring moderator, Mr. Stewart, of Clinton, the next on the roll, took his place for next six months. Representative siders produced their commissions from sessions, and the roll was made up for the year. The Commissioners to General Assembly reported their diligence. The list of vacancies was revised, report of committee on superintendence of students was received. The auditors examined the treasurer's books and reported them correct. Standing committees for the year were appointed: State Religion, Rev. P. Moagraw, convener; S. Schools, Jas. Scott; Temperance, A. McMillan; Finance and Systematic Benevolence, J. A. Anderson; Sabbath Observance, J. S. Henderson. Circulars on Prison Reform, and the Prevention of Vice, were read and committees appointed to consider and report upon them. Three new candidates for the ministry were introduced and dealt with.—Messrs Ewan McKenzie, Albert Mahaffy and Wm. Scott. The two former are entering McGill College, Montreal; the latter, Knox College, Toronto. Mr. Wilson, a student of the third year in University College, Toronto, also appeared before the Examining Committee. Mr. A. J. Moore, Goderich, read before Presbytery a homily on a prescribed subject. Presbytery will meet next September at Egmontville. Four of the ministers were absent, and but few of the elders were present. Rev. T. G. Thomson, late of Bruceford, now of Vancouver, B. C., was present and acted as a corresponding member.
