FISHERMEN!

Fishermen of late have been complaining of sore and tired feet, besides suffering from Rheumatism, etc., brought on by wearing Rubber Boots. Scores of Fishermen have been telling us of how they suffered the past summer when fishing in the hot sun, their feet having burned and blistered in the Rubber Boots which they wore, and later when the burning ceased their feet were wet with cold perspiration.

Fishermen! Get a pair of SMALLWOOD'S GOOD LEATHER BOOTS. They will keep your feet warm and dry.

You may say, "Leather boots have gone up in price." Quite so, but Rubber Boots have gone up also. We will guarantee that a pair of our Boots will outwear any two pair of rubber boots on the market. Wellington Boots, Napoleon Boots, High and Low % Boots, Men's, Boys' and Youths' Bellows Tongue Boots.
