Montreal.

THE India and China Taa Company besto call the attention of the Canadian community to their directly imported Teas, which for runry an ancellance will be found unequalled.

The Company have made arrangements whereby they have secured the entire produce of some of the best plantatiors in Assam and on the slopes of the Himalayas, and, by a judicious blending of these magnificent Taas with the best varieties of China produce, quality and flavour hill-erto unknown to the general consumer. These Teas are in high tavour in Hagland and France, and a sing 'n trial will prove their superiority.

The Company supply two qualities only, either Black, Green or Mixed. Their Black Teas will be found to possess great briskness and flavour, combined with colour and strength, and to be entirely different to the Teas, while their Green Teas are altogether free from the deleterious mineral powders commonly used for coloring the leaf.
