The Chatham team is said to have been strengthened, but there was no sign of it at Tecumseh Park Saturday afternoon. The Londons had too easy a time of it for public interest. The Chathams played like the amateur team it used to be, making the most doleful errors at the wrong time, and showing a Spanish incapacity for hitting anything, except in one inning. It is understood Captain Lowney intends to do a little more strengthening this week by signing Twineham, the Detroit catcher, and Sechrist, late of London. Something ought to be done in a hurry. Owing to the threatening weather only a small audience witnessed

the comedy of errors, as Umpire Black called it, but it was too one-sided to be even funny. The visitors got their only runs in the second inning, when Jones' pretty triple and successive singles by Phelps, McGamwell and Mc-Ilvaine netted two. After the fourth inning they gave up hitting altogether, and only one man reached first. That was McKinney, who got a charity. It was a picnic for Lipp, who atoned for his disaster at St. Thomas.

The Londons started to maul McIlvaine at the outset by making five singles and a double, in addition to a base on balls. They continued to hammer the ball with regularity, and were well and McKinney, who threw like schoolgirls. The Londons played a right smart game all through, and Laroque kept things moving all the time. The

ST. THOMAS STILL SLIDING. Hamilton, Ont.; Aug. 1.-Hamilton outplayed St. Thomas both at the bat and on the field, and won a close and

and horror. There are tens of thousands slowly dying every day with the arrow of some insidious dis-

ere death comes to one man on the battle-field it comes to tens of thousands in their homes, through the agency of man's most releatless enemy - consumption. There is a widespread idea for which ignorant physicians are responsible, that con-sumption is an ineurable disease. This is a mistake. Dr. Pierce's Golden Medical Discovery cures 98 per cent. of all cases. It is the great blood-maker and flesh-builder. It gives zest to the appetite, makes the diges-tion and assimilation perfect, renders the liver active, makes the blood pure and fills it with life-giving elements of the food, and acts directly on the lungs, driving out all inpurities and disease germs. Thousands who had been given up by doctors and lost all hope, are to-day healthy and robust as the result of the use of this great medicine. It is the discovery of an eminent and skill-fal physician, Dr. R. V. Pierce, for thirty years chief consulting physician to the In-valids' Hotel and Surgical Institute at Buf-folo N. V. Landing Physician to the Infalo, N.Y. In writing to Dr. Pierce for advice the sufferer consults a physician whom his townspeople honored by making him their townspeople honored by making him their representative in congress but whose love for his profession caused him to resign that position that he might give his whole time to the sick and afflicted. He will personally answer all letters from sufferers without charge. His "Golden Medical Discovery" is sold by all good medicine dealers. Stomach and liver troubles with sluggish action of the bowels are cured by Dector action of the bowels are cured by Doctor Pierce's Pleasant Pellets.

Cann was very wild for the first two innings, and was responsible for St. Thomas getting three runs, but after that he settled down to steady and very effective work. Baker tied the score in the eighth, with a fine two-base hit, driving in a run, but in the same inning he lost the game by

The Washington club has purchased Third Baseman Jud Smith from Syracuse, paying \$1,000 for the man who was tried by Cincinnaff some year ago and

Five clubs are bunched for honors in the Western League. It is the prettiest race that organization ever has seen. The Boston club has lost nearly six games up to date by refusing to sacrifice at times when all the fine rules of

play called for that kind of work. Joe Bates, late of the disbanded Port Hurons, who met with a painful accident to his hip during one of the final games with the Hamiltons, is resting quietly at his boarding-house, 175 Cannon street west, Hamilton, and is

mending slowly.

It is officially denied that at the special meeting of the Western League, held at Chicago on July 17, the question of shortening the championship season was considered. The sole purpose of the meeting was to legalize the Omaha club's transfer to St. Joseph, and to give the Columbus club permission to transfer its remaining championship games at will. The Indianapolis club refused to pay any of the losses of the Omaha club from its share of the reserve fund in the treasury.

he has not made an error. McGANN'S REMARKABLE WORK. Big Dan McGann, Baltimore's first baseman, has not made an error in the last 23 games. He has accepted in these games 223 chances, with never a misplay. That is a record that will probably not be beaten this year. And, by the way, is there a first baseman in the league who comes anywhere near McGann in consistently steady, excellent work in fielding, batting, and base-runing? If so, he has not shown himself this year.—Baltimore

When the stables that have been racing in Montreal arrive here today there will be nearly 700 horses at the track or in the vicinity. The candidates for the consolation stakes, which will be the feature of the opening day's programme next Wednesday, are all reported to be in fine trim, and a great race will undoubtedly result. There was a big attendance on the closing day, and some splendid racing. There were eight races, and the bookers and public broke even, as the visitors had most of the favorites down pat. The starting was excellent save in one race. There was no leaving of horses at the post, and Starter Brown won golden opinions from the racing men A feature of the afternoon was the speech of Mr. E.
