

U. S. WILL WAIT TILL SITUATION BECOMES CLEAR

Correspondent Reports Reply
Received Reserving Decision
On Hague Meeting.

ADOPT NEW AGREEMENT

Non-Aggressive Pact Is Ap-
proved by Genoa Plenary
Session.

BULLETIN.
London, May 17.—The support-
ers of Premier Lloyd George
plan a big welcome for him,
when he returns from
Genoa. Members have issued a
letter saying: "At Genoa the
prime minister represented us
and fought his critics with that
courage, faith and optimism
which were characteristic of his
attitude in the war."

Genoa, May 18.—Reuters today
states that a reply has been re-
ceived from the United States with
reference to participation in the
projected commission at the Hague
on Russian affairs, saying the United
States reserves its decision pending
a further investigation, and until the
situation becomes clearer.

The foregoing does not make it
clear to what communication on the
subject of the proposed conference
at the Hague the United States is
reporting as replying. A Havana
dispatch from Genoa Wednesday
night said it was understood Premier
Lloyd George had sent another mes-
sage to the United States note de-
clining participation in the Hague
commission, in which Mr. Lloyd
George gave a fuller explanation of
the plan for the meeting at the
Hague. It was said at the state de-
partment at Washington early today,
however, that no additional mes-
sage had been received.

Adopt New Pact.
Pact of non-aggression was adopted
at the plenary session of the
political sub-committee of the Genoa
conference today. The pact was not
signed, but was adopted in the form
of a resolution, each state pledging
itself to respect it.

The agreement contains six clauses
summarized as follows:
Clause 1—Provides for the appoint-
ment of a commission by the powers
to examine again the divergencies
existing between the soviet govern-
ment and other governments, and
with a view to meeting a Russian
commission having the same man-
date.

Clause 2—Not later than June 20,
the names of the powers represented
on the non-Russian commission, and
the names of the members of this
commission will be transmitted to the
soviet government and, reciprocally,
the names of the members of the
Russian commission will be com-
municated to the other governments.

Clause 3—The questions to be
treated by these commissions will
comprise debts, private properties
and credits.

Clause 4—The members of the two
commissions must be at The Hague
on June 26.

Clause 5—The two commissions
will strive to reach joint resolutions
on the questions mentioned in Clause
3.

Re-Establish Confidence.

Clause 6.—To permit the commis-
sion to work peacefully, and also to
re-establish mutual confidence, the
Soviet governments, on the other
hand, pledge themselves to abstain
from any act of aggression and sub-
versive propaganda. The pledge for
abstaining from any act of aggres-
sion will be based upon the present
status quo, and will remain in force
for a period of four months after the
conclusion of the work of the com-
missions. The pledge concerning
propaganda will oblige the govern-
ments not to interfere in any way in
the internal affairs of other states,
and not to assist financially or by
any other means political organiza-
tions in other countries, and will
oblige them to suppress in their ter-
ritory "any attempt to commit acts
of violence in other states or aiming
to disturb the territorial or political
status."

HOSPITAL BURNS**

bodies already have been recovered.
Four other patients were badly burned,
and one dangerously injured.

The Hospital of Santo Spirito is sit-
uated on the bank of the River Tiber, not
far from the Vatican grounds. It was
founded by Pope Innocent III. in the
twelfth century, enlarged by Innocent
IV. in the next century, and rebuilt
under Sixtus IV. in the fifteenth cen-
tury.

The altar in the hospital chapel was
designed by Andrea Palladio, and is
reputed to be the only work of this
artist in Rome.

St. Thomas Topics.

THE ANNUAL meetings of the
Methodist churches of St. Thomas
district were held Wednesday fore-
noon and afternoon, and laymen's
meetings will be held shortly. A
mass meeting of Methodists was held
Wednesday evening in Central
Methodist Church, at which Rev. W.
A. Walden presided.

MICHAEL MOWKREY, recently
found guilty of running a still in
Southwest, and who was required to
pay a \$200 fine or go to jail, has
found it impossible to raise the
money, and will spend the next six
months behind the bars.

THE LARGE Grand Trunk bridge
over the Welland Canal, which was
damaged recently by a large freighter
and was out of commission for the
last week or so, is reported to be in
working order again.

Kitchener Club Complains of Bad Roads.

Special to London Advertiser.
KITCHENER, May 17.—Local
motorists are beginning to
kick about the condition of
roads leading into and out of
the city. At the present time
most of the roads are under
construction, and the claim is
being put up to the motor club
here that proper information is
not being circulated to direct
motorists over the detours. As
a result calls are being sent in
daily to have cars hauled out
that are hopelessly mired in
sand and mud. The local
motor club will take the matter
up as one of the first steps
since their reorganization, and
it is expected that all roads to
and from the city will be
properly placarded with direc-
tions as to detours.

BUILDING BOOM HITS WOODSTOCK

Permits For Present Month
Establish Record Since
1918.

Village of Milldale Excited
Over Finding of
Skeleton.

Special to London Advertiser.

WOODSTOCK, May 17.—Building
activities have taken on a decided
spurt in the city within the last few
weeks. Among the contracts awarded
have been several for additions to
local manufacturing plants. Two
large gasoline stations have been
built, with two more to follow short-
ly. William Baird & Son are dou-
bling the size of their plant, while A.
L. Beauregard is adding a large addi-
tion to his carriage and auto paint-
ing establishment. Several business
houses on Dundas street are also
hustling along additions, while the
Bell Telephone Company is asking
for tenders for a fine central office
to be erected on Graham street. It
is expected that the building permits
for the months of May and June will
exceed any two months since the
cessation of the war.

The dry spell which has been re-
tarding the spring crops, was broken
today when rain fell at intervals.
While the ground was not soaked,
thousands of dollars worth of good
will result from the showers to the
farmers and other gardeners of the
county. The farm help, which was
expected from the old country, has
not yet materialized. The agricul-
tural department states that the men
expected from Glasgow have been
held up in the old country, but ex-
pect to sail shortly.

Considerable interest has been
aroused around the village of Mill-
dale through the finding of a human
skeleton on the farm of Robert
Mash a few days ago. The latter
was ploughing some land in prepara-
tion for corn when he unearthed the
bones, which were only buried a
few inches below the surface. Mr.
Mash took his find to Norwich village
and it is expected the authorities
will be asked to investigate the find.

**WANTS McCOIG
TO GIVE EVIDENCE**

Meighen Objects, But Lemieux
Allows Motion To
Stand.

OTTAWA, May 17.—(By Canadian
Press).—Fred Kay, Liberal member
of Parliament for Mississquoi, and
chairman of the special committee on
agriculture, moved in the House
of Commons this afternoon that a mes-
sage be sent to the Senate asking
that Hon. A. B. McCoig be given leave
to appear before the committee and
give evidence.

Hon. A. Meighen, opposition leader,
asked if this motion was based on
a report of the committee now be-
fore the house. If not, the motion
was not in order.

Mr. Kay replied that the motion
was for the purpose of obtaining Mr.
McCoig as a witness before the agri-
culture committee.

Hon. T. A. Crerar thought the ob-
jection to the motion should be with-
drawn. He understood that Mr. Mc-
Coig was required to give evidence
in regard to the standardization of
repair parts of agricultural machinery.
He was willing to testify.

Hon. H. H. Stevens, rising to a
point of order, claimed that the sub-
ject matter of the resolution had
been discussed in committee, and that
a report should have been presented
before the motion was made.

Speaker Lemieux ruled that the
point of order was well taken, and
the motion stood over until a report
can be presented.

**REPORTS GRAIN SEEDING
COMPLETED AT MITCHELL**

States Land Was in Excellent Con-
dition For Putting in the
Seed.

Special to London Advertiser.

MITCHELL, May 17.—The sowing
of spring grain in this section has
been completed. The land on the
whole was in excellent condition for
putting in the seed, and grains are
coming up nicely, although rain is
badly needed. Fall wheat is looking
well, and farmers are now busy pre-
paring ground for planting potatoes
and the sowing of sugar beets and
mangel seed. According to the blo-
ssom on pear, plum, cherry and apple
trees, there will be bumper crops
of these kinds of fruit.

BAND TO ATTEND KIWANIAN CAMP

Quebec Organization Has Ac-
cepted Invitation To Join
Local Campers.

SENATOR TO SPEAK HERE

Sir George Foster Will Ad-
dress Luncheon Friday On
League of Nations.

The Kiwanis Club of this city has
received word from the band of the
Boys' Farm and Training School at
Shawbridge, that their invita-
tion to spend a week at the Kiwanis
camp for the underprivileged boys,
which the Kiwanians hold each
summer on the Thames, five miles
from the city, from July 18 to Aug-
ust 18, has been gratefully accepted.

About 150 boys attend the camp
from London, Kitchener, Galt, West
Toronto, Kingston, St. Thomas and
Peterborough, the entire expense be-
ing borne by the Kiwanis Club, who
organize classes in scouting, nature
study, swimming, physical drill, etc.

The Boys' Farm Band, which con-
sists of about thirty boys under the
direction of Bandmaster N. E. Pol-
lard, and has been in existence about
two years, will be the guests of the
Kiwanians, who will pay all their ex-
penses in connection with the trip.

They will leave Shawbridge on July
27, and on arrival at London the fol-
lowing morning will be entertained
to luncheon by the Kiwanis Club,
and, after a brief band concert, will
proceed in automobiles to the camp.

It is hoped on the return journey
the boys will spend a day in Toronto
and give a band concert at the On-
tario Industrial School at Mimico,
near the city, while it is probable
the Toronto Kiwanians will also en-
tertain the boys during their visit.

Sir George Foster, one of the out-
standing public speakers in the Do-
minion, will address the Kiwanians
at their weekly luncheon at the Te-
cumseh House Friday noon. His sub-
ject will be "The League of Nations."

The booster for this week is Ki-
wanian Charles B. Laur of the Ed-
ward Burns Company of Toronto.
The new members for the week are
Cy Edy of the Somerville Box Com-
pany and the proposed new members
are J. Gordon Thompson, manager of
the Canadian Vulcanizer and Equip-
ment Company; Arthur A. Harrison,
undertaker; Joseph Stone, sales man-
ager of the McCormick Manufacturing
Company; William Roome of the cus-
toms department; and Leslie
March of the London and Port Stan-
ley Railway.

The Mendelssohn Glee Club of St.
Thomas, under the direction of
George Carver, will stage a concert
in the Patricia Theatre this evening
under the auspices of the Kiwanis
Club.

**BABE FALLS TWO
STORIES, UNHURT**

DETROIT, May 17.—A 2-story
drop with a concrete walk as an
alighting place means nothing to
Edward Budd, 10 months old, milk-
fed czar of 123 Duffield street.

Edward's mother, Mrs. Della Budd,
left him in his cradle on the second
floor Wednesday.

Edward went adventuring. He
crawled from his cradle to his
mother's bed, across that to the open
window. Then Mrs. Budd heard a
man-sized howl outside.

She found Edward sitting up on
the walk bawling a badly-soiled
nightshirt.

A half-dozen receiving hospital
surgeons examined him minutely.
They could not find not even a
scratch.

ISSUE BY-ELECTION WRITS.

Regina, May 17.—Writs were is-
sued yesterday for by-elections in
the provincial constituencies of
North Qu'Appelle and Rosthern, to
be held on June 12. Nominations
will be held on June 5. Hon. J. G.
Gardiner, minister of highways, will
seek re-election in Rosthern, and
Hon. J. H. Ulrich is seeking re-
election in Qu'Appelle. Both were
recently elevated to cabinet rank.

Losing Your Vitality

THIS CONDITION OFTEN FOL-
LWS ACUTE DISEASES.

Debility is a loss of vitality not
affecting any one part of the body,
but the system generally. When de-
bility follows acute diseases, conva-
lescence is slow and one's strength
does not return as it should. An
attack of grip or influenza often per-
sists for months. The same condi-
tion often follows an attack of pneu-
monia, fever or other acute diseases.
Everybody recognizes that the rem-
edy for debility is to build up the
blood, because the blood goes to
every part of the body and any im-
provement in its condition is quickly
felt throughout the system.

In the cases of simple anaemia, or
debility following acute diseases, Dr.
Williams' Pink Pills will be found
beneficial, because they enrich the
blood and through the blood strength-
en the nerves. This was proved in
the case of Mrs. J. A. McNeil, Bass
River, N. S., who says: "My daughter,
Beatrice, was taken down with pneu-
monia, and following this did not
seem to gain strength. She still con-
tinued taking the doctor's medicine,
but I could not see that she was gain-
ing, and I decided to give her Dr.
Williams' Pink Pills. Before she had
finished a box there was some signs
of improvement, and she continued
the use of the pills until she was
able to go around again the picture
of good health. I now always advise
mothers with growing girls to give
them these pills."

You can get Dr. Williams' Pink
Pills through any dealer in medicine
or by mail at 50 cents a box or six
boxes for \$2.50, from the Dr. Williams'
Medicine Co., Brockville, Ont.—Adv.

ASKS \$50,000 IN ACTION FOR LIBEL

Florida Man Claims Damages
From Toronto Jeweler For
Arrest.

TORONTO, May 17.—Before Mr.
Justice Lennox and an assize jury,
Dewitt C. Ellwood of Dade County,
opened suit this morning for \$50,000
damages for libel from Abraham
Rosenthal, the Toronto jeweler whose
shop on King street west was sen-
sationally robbed two years ago, and
Edward Crowe, his clerk.

Abraham Rosenthal was beaten up
and robbed, bound and gagged in his
store on June 18, 1932, at supper
time. The thieves stole about \$50,000
worth of diamonds.
At 6:30 in the evening a man went
into the store just as Rosenthal was
about to lock up for the night. The

prospective customer was dressed as
a United States Salvation Army of-
ficer, and had called several times
during the month to make small pur-
chases.

He seized Rosenthal by the throat
and threw him on the floor. Just
then two confederates entered. Ros-
enthal was then bound, gagged and
tied to a chair and thrown in the
cellar. The safe, which was open,
was then robbed of diamonds.

According to plaintiff's statement
of claim, Edward Crowe appeared
before E. J. Starling, acting chief
of police in Miami, Fla., and Sergt.
Detectives John W. Bishop, and
maliciously and falsely charged that
Ellwood had robbed Rosenthal of
\$50,000 in jewelry, diamonds, etc.,
and being armed had assaulted
Rosenthal, the result of this false
charge being that he was arrested
there and kept in confinement for
three days.

Testifying today, Ellwood stated
that he had attended a lawn social
at Niagara Falls, Ont., on the night
in question, and produced a witness
in the afternoon to establish this
alibi. He donned the Salvation Army
cap and tunic, but they were too

small for him. He had tried to sue
Rosenthal, he stated, through the
United States courts on two occa-
sions, but the suit had not gone
through.

A \$150,000 deal in Cleveland, pend-
ing at the time of his arrest, had
fallen through, said Ellwood, and be-
sides the doubts as to his honesty
expressed by some persons, a Miami
newspaper had said some nasty
things about him. His legal fees and
expenses so far had also totalled
some \$6,000.

Brought back to Toronto, Ellwood
had been present in police headquar-
ters when Rosenthal came in and had
failed to identify him. When Crowe
had identified a police reporter as one
of the robbers Ellwood was released.
Much of the time this afternoon
was taken up in reading evidence
given at the hearing in Florida.
The case is proceeding.

FOUR DIE IN NIGHT FIGHTS IN BELFAST

Police and Soldiers Battle
With Gunmen Until Day
Dawns.

Belfast, May 18.—A wild night of
firing in the Marrowbone district of
Belfast, with police and soldiers bat-
tling gunmen, was followed by fur-
ther shooting this morning as the
working people went on their way to
the shops. At least four men are
dead as a result of these disorders,
and several others wounded, some
seriously.

The most notable disturbance was
that of the early morning when a
concerted attack was made upon the
Mugrave street police barracks. Seven
men dressed in police uniforms
knocked at the front gate at 3:45
o'clock. When the guard asked,
"who's there?" the reply came,
"police on duty." The gate was

opened and the party entered. The
invaders closed the door and ordered
the guards to throw their hands up.
Two of the police showed fight and
were wounded by members of the at-
tacking party, who rushed upstairs
to a room in which arms were stored,
firing at the guard on duty. Help
came at this juncture, however, from
special constables outside the bar-
racks, and the raiders fled over the
walls at the rear of the building.

Constable Collins, who was injured
in the fighting, died this morning.
The condition of Constable Mc-
Keown, the other defender wounded,
is not serious.

Two men sitting on the top deck
of a tramcar were shot dead from
behind by two others as the car was
nearing the center of the city this
morning. The assassins dashed down
the stairs and escaped into a side
street. The victims have not been
identified.

William McNight was shot in the
abdomen while on his way to work,
and is in a critical condition. Robert
Beattie was wounded in the arm.
