THE REPORT will be wonderstruck to see rested the charges, so of

that for the principal accusat that the Government was political machine of the Dep Education, there is not even of a foundation. It is evid the Government had to do to this charge was utterly fa had not even a single support it, was to demand an tion. The reports, both maj minority, show that no at even the faintest-was made that the Government or any cials ever did anything which nost malignant and the me pulous of its enemies could the remotest tendency towar uting the influence of the I of Education to political purp charge, which was the main of the only one which the Oppor point to as a justification for ed and very violent attacks of ister of Education, is not so mentioned in either of th These reports show that the committee was taken up in details of school administra were of no public importance The truth is shown to be the ented and insubordinate to had refused to comply with t tions of the Education Depart the Opposition newspapers ion members as instr wreak his vengeance on the G which has incurred the cens investigating committee for borne with his insolence too

having treated him with too igence. It must be humil the Opposition and its find that they allowed to use them as his tools to personal spite and his morb for notoriety. We mention of Mr. Muir with reluctant have long looked upon him ra

object of pity than as a subject This person, who possesses a happy disposition, is, according reports, the Government's on In nearly all the charges he i ly interested. No other witne peared before the committee that the Department has treaters with injustice, or has attenue use them in any way for poli ses. The committee has else to do than to listen to mplaints. The result of its regards the cancellation of ate, is thus expressed in the That we can only chara to the tries correspondence with hom Department as showing i aston and insolence to those 1.

From the evidence add to correspondence presented det that earlier cancellation in the correspondence presented the correspondence of the correspondence of the correspondence would have best interest of education
