

Wedded At St. Saviour's Captain G. M. Audaine and Miss S. B. Dunsmuir Made Happy For Life

A Brilliant Ceremony Amid a Scene Made Beautiful With Flowers.

St. Saviour's church, Victoria West, was the scene of the most brilliant social event of the season yesterday afternoon, when Rt. Rev. Bishop Ferrin, assisted by Ven. Archdeacon Scrivan and Rev. W. D. Baker, solemnized the marriage of Capt. Guy Mortimer Audaine, of the Indian Service Corps, to Miss S. B. Dunsmuir, eldest daughter of Premier the Hon. James Dunsmuir and Mrs. Dunsmuir, of this city.

The pretty church had been tastefully decorated in green and white flora by friends of the bride and groom. The guests began to assemble, the pleasing effect was much admired. The screen of the chancel was covered with twining smilax, and from its green folds stood out chrysanthemums, white and their whiteness, white bows and streamers of white satin ribbon intensified the picturesque effect.

Promptly at 4 o'clock the groom, Capt. G. M. Audaine, in a dark suit, with a white waistcoat, and a white bow tie, stood in front of the altar, where stood the officiating clergyman, robed in his canonicals and mitre. The bride, Miss S. B. Dunsmuir, stood to the right of the altar, wearing a gown of white satin, with a large train, and a large crown of white flowers.

There was an expectant hush in the church as the organ's echoes died away, and silence prevailed while the groom, in a low voice, pronounced the vows which he had taken before the altar.

The solemn ceremony was over, and then the vows were given, with soft music played. Then husband and wife rose from where they knelt beneath the officiating clergyman, advanced to the chancel. Rt. Rev. Bishop Perrin read the Psalm, and after the prayers had been said, the blessing given, the bride couple rose from where they knelt, before the Lord's table, and proceeded down the aisle, the bride, as charming as a vision, with her long white and orange blossoms, leaning on the arm of her stalwart husband, who walked with all the erectness of the soldier.

By an unfortunate occurrence, the elegant and originally designed wedding dress that was to have been worn, was lost or mislaid while on route from its makers in London. The bride wore a pretty gown of rich ivory white satin, with a court train of brocade, the corsage draped effectively with twine-colored lace, robe of lace, and transparent sleeves. The trimming was of twine-colored lace, being caught up on the front of the skirt with sprays of orange blossoms. The court train draped from the shoulders and, borne by the two youthful sisters of the bride, acting as train-bearers, was of ivory white satin.
