OBITUARY.

Mr. Ludovic Levesque.

The death occurred on Friday even-
ing last, October 25th of Mr. Ludovic
Levesque, electrical engineer of
Chandler, at the home of father-in-
law, Mr. Ed. LaTerre, St. Adelaide
de Pabos.

Since Sunday the 13th Mr. Leves-
que was confined to his room with a
severe attack of influenza and was
attended by Dr. Verge. Notwithstand-
ing the best care the sickness increas-
ed and he passed away.

Deceased was born in Chicoutimi on
Sept. 29th, 1893. He studied at the
seminary in Chicoutimi and graduated
later from University of Toronto. He
moved to Chandler one year and a
half ago, and married Miss Bernadette
LaTerre, graduate nurse in Septem-
ber last. He leaves to mourn be-
sides his young wife, his mother, three
brothers, M. Elzeir, advocate and
mayor of Chicoutimi, Armand of
Roberval and Laurat of Grand Baie,
Chicoutimi and two sisters, Rev. Sr.
St. Alphonsine of Hotel Dieu, St. Valeri
Chicoutimi and Mrs. Edmond Savard
of Grand Baie.

The funeral was held at St. Ade-
laide de Pabos on October 26th and
was largely attended by friends who
wished to honor the memory of one
who was well liked and esteemed by
all.

It is mighty mean to patronize a
merchant who will trust you until you
get so far in debt to him that you are
ashamed to see him, and then go and
spend your cash somewhere else; and
where you could not get credit; but
there are people who do it. The hon-
orable way would be to spend your
cash with the merchant who trusted
you, even if you never expected to
square up the old account.

LYNCH—CAISSY.

A quiet and pretty marriage took
place on Tuesday the 23rd instant in
the Church of St. John Evangeliste
when Angelle, daughter of John Cais-
sy, postmaster of Migusha, was
united in the holy bonds of matrimony
to James Lynch of Nouvelle.

The bride who was given away by
her father wore a navy serge suit
with brown furs and hat and veil to
match. Music and singing were ren-
dered by Mr. Frenette and the Misses
Frenette.

After the ceremony the happy cou-
ple drove to the bride's home where
dinner was served after which they
left for a trip down the Gaspé Coast.

The many pretty and useful pres-
ents testified to the popularity of the
young couple to whom all wishes for
a happy journey through life are ex-
tended.

BANKS WILL HELP SMALL INVESTORS

It is announced that, in order to en-
courage investors to participate in the
1918 Victory Loan, the Banks will
lend subscribers, on the probable cer-
tainty of repayment within a year, up
to 90 per cent. of the amount of the
investment in the Loan. The rate of
interest charged by the bank is 5 1/2
per cent.

This should have the effect of great-
ly stimulating the flow of money
when the big Drive Opens. Many
people who were anxious to do their
bit towards supporting the boys the
front were unfortunately restricted as
to the amount they had available for
investment, having immediate or fu-
ture obligations which called for their
ready capital. It is such as these
that the Banks are ready to help. On
reasonable security these intending
investors may receive the cash from
the Bank at the same rate of interest
the Dominion Government pays for
the entire 1918 Victory Loan. They
may reduce their obligations to the
Banks monthly or quarterly.

The Banks will also accept from
small investors for safe keeping with-
out charge the interim securities and
later the bonds themselves up to a
reasonable amount, for the term of
one year.

HARD ON NEWSPAPERS.

Announcement of temporary cessa-
tion of publication is made by the
Le Moniteur Acadien, Shediac in its
issue of October 25th. War conditions,
resulting in the increased cost of
newsprint, an increase in wages and
difficulty in securing workmen made
it impossible to continue the
paper. The editor expresses the wish
soon to take up again the mission un-
dertaken by the founders of Moniteur
in 1867 and carried out faithfully by
their successors for fifty years.

dow of a restaurant."

FISH WEEK OCTOBER 31.

Thursday, October 31st, marks the
beginning of Fish Week throughout
Canada. The Food Board has re-
quested all dealers and citizens to
make this the banner fish week of
the year. A meeting of the local
dealers was held last week and all
present agreed to make the prices as
low as possible, arrangements being
made to display as large a number of
varieties as can be obtained. The
dealers are having difficulty in po-
turing as large a stock as they can
handle on account of the weather
difficulties being experienced by the
fishermen. Another meeting of the
fishermen is to be held tomorrow to ar-
range details in the matter and they
should have the co-operation of every
local citizen.

Pinch your expenditure a little and
you'll find it will pay.

It Works! Try It

Tells how to loosen a sore,
tender corn so it lifts
out without pain.

Good news spreads rapidly and druggists here are kept busy dispensing Iveson's, the other discovery of a Cincinnati man, which is said to loosen any corn so it lifts out with the fingers. Ask at any pharmacy for a quarter ounce of Iveson's, which will cost very little, but is said to be sufficient to rid one's feet of every hard or soft corn or callus.

You apply just a few drops on the tender, aching corn and instantly the soreness is relieved, and soon the corn is so loosened that it lifts out without pain. It is a sticky substance which dries when applied and never inflames or even irritates the adjoining tissue.

This discovery will prevent thousands of distressing annuals from lockjaw and infection before resulting from the tedious habit of cutting corns.
