JOHNSON WIMS

THE BIG FIGHT.

(Continued from page one)

THIRTEENTH ROUND.

They ran to each other. Jim ducking a left on the break. Jeff reached the nose. Jack got in two hard lefts to face, the force of which pushed Jeff back. They clinched. Jeff hugged at the clinch. They hugged at the clinch. Jeff hugged at the clinch. He took a terrific hammering in this round.

FOURTEENTH ROUND.

Men rushed into clinch. As break Johnson landed on nose starting blood again. Jack landed two lefts. Jeff landed left on face. In clinch that followed Jack landed several hard ones. Jeff hung in clinches. Jack landed two on face and kept hitting Jeff all the time. Men were in clinch at bell.

FIFTEENTH ROUND.

Jeff landed his famous left and Jeff went down taking the full count. It was a knock out. There were no breaths for Jeff's corner when the 15th round began. The big one was gone. Jeff came out with his guard held high and blocked a straight left and they clinched. Johnson was there with straight left and followed it with another. They clinched. As break away Johnson sent a right on chin and Jeff went against the ropes. He arose and Johnson knocked him with the ropes with another left swing. As a matter of fact Jeff was knocked out this time. Johnson struck with left and right time after time in face. Jeff fell again but arose to his feet slowly but was counted out meanwhile.

COULD NOT SLEEP IN THE DARK.

Doctor Said Heart and Nerves Were Responsible.

There is many a man and woman tossing night after night upon a sleepless bed. Their eyes do not close in the sweet and refreshing repose that comes to those whose heart and nerves are right. Some constitutionally are nervous and some have become so through worry or the nervous system, that it cannot be quieted.

Mr. Calvin Stark, Rosemont, Ont., writes: "About two years ago, I began to be troubled with a disturbing sensation at night, when I would lie down, I got so bad I could not sleep. I was told I had a nervous system, but I would become so numb, my doctor said my heart and nerves were responsible. I saw Milburn's Heart and Nerve Pills advertised and got a box to try them. I took three boxes and am now lying down and sleep without the slightest disturbance and can rest well. I can recommend them highly to all nervous and run down women."

Price 50 cents per box or 3 for \$1.25 at all dealers, or mailed direct on receipt of price, by The T. Milburn Co., Limited, Toronto, Ont.

DECREASED VALUATION.

Three assessors, who did not know a printing press from a planer or a quail from a copper plate visited the Tribune office last week and after carefully taking stock of the plant and material therein, fixed the valuation at \$1000 or 1700 less than last year. This is the Tribune's reward for kicking the town at every opportunity and doing all in its power to hold the town council up to ridicule. This is surely a case of losing half the value of a property over night. It is to be hoped that now the proprietor of the Tribune will pay the taxes on this very modest sum. The Graphic's plant is assessed at \$2,600.

B. M. F. CARS.

Messrs. H. B. and C. W. Anslow have been appointed the agents for B. M. F. automobiles for the counties of Restigouche, Bonaventure and Gaspe. Already one large touring car has been sold, and several gentlemen are negotiating for the purchase of the light runabout. The B. M. F. factory is the largest in the world, and the product of this factory, exhibited at Toronto, was paid by person competent to judge, the best for the money offered. The large touring car sold for \$1500, fully equipped and the runabout for \$650. If interested write Anslow Bros. Campbellton.
