

GILLMANS

ASTONISHING ANNUAL

CLEARING SALE

Starts Saturday, July 15th

AND WILL CONTINUE FOR ONE MONTH.

We wish to tell the public right from the start that this is not a hot air sale, but feeling the present conditions makes it necessary to unload our immense stock which we carry so as to make room for fall goods which are arriving daily. We wish also to give our many patrons the benefit of this great slaughter sale. Profits are not considered, therefore we will sell everything at cost price. It will pay you to read, consider, and to attend this astonishing sale. **REMEMBER!** This is a genuine sale. In the past sales have been advertised as bargains where no bargains existed. We pledge ourselves to fully carry out our prices and quality of our goods or money refunded.

HERE WE ARE!

We have a full line of Men's Suits in serges and tweeds, well arranged colors, all sizes and styles, from \$9.95 to \$19.75. This will astonish any purchaser. Regular \$25.00 to \$35.00.

Boys' Suits, all sizes and styles, best makes, \$3.95 to \$6.65. They are made to wear, so the small boy gets the best of them, as the manufacturer has specially provided for this extra wear.

INNKEEPERS WANT PRIVILEGE TO SELL BEER

OVER THE BAR

Windsor, Ont., July 8.—Hotel-keepers of Ontario are pressing for an amendment to the Ontario temperance act allowing the sale of five to nine per cent beer over the bars, according to Edgar Watson, of Toronto, chairman of the special government committee which is investigating hotels in the province.

John Collier, Clarence P. Hamilton and Ralph Hamilton, all of Campbellton, have been incorporated as Hamilton and Collier, Limited to take over the wood-working and general business of Hamilton and Collier. The capital stock is \$49,000 and head office in Campbellton.

AWAY TO CAMP

The J. S. N. N. class of the C. G. O. I. T. left for camp at Point la Poudre Tuesday morning, when under the direction of Mrs. Barclay Gerrard, they will spend two weeks.

FRUITGROWERS ATTENTION

There is a present quite an epidemic of caterpillars on fruit trees in Gloucester and Restigouche County. These have been identified as the Tent caterpillar. They feed on the leaves and blossoms of the tree and do enormous damage. They can be controlled by burning them on the tree with a torch or spraying the tree with lead arsenate 2 lbs. to 40 gallons, arsenate of lime 1 1/2 lbs. to 40 gallons or Paris green 1 1/2 lbs. to 40 gallons.
