CERTIFICATES OF STRENGTH AND PURITY.

OFFICE OF THE PUBLIC ANALYST,
MONTREAL, September 24, 1897.
To the Canada Sugar Refining Co., Montreal:
Gentlemen:—I have personally taken samples from a large stock of your Granulated Sugar "REDPATH" brand, and carefully tested these by the Polaroscope, and I find these samples to be as near to absolute purity as can be obtained by any process of Sugar Refining. The test yielded 99.80 per cent. of Pure Cane Sugar, which may be considered commercially as ABSOLUTELY PURE SUGAR.

Tailoring, COSTUMES, WRAPS OR HABITS,
To-day if possible. Our modistes have been for weeks in the metropolitan fashion centers securing the coming innovations. Already many advance orders are booked; large con-
signments of our Spring Goods are to hand and the bargains always offering at this time
looked for in the rush of the season, makes the special reduction in making charges for
this month an opportunity that all desiring perfect satisfaction at a cost that cannot phre-
sibly be equalled for cheapness even in another month, should take advantage of to-day.

THE Doherty Organ Has no Equal

has again been demonstrated, this time by the Society of Science, Literature and Arts of London, Eng., who on April 10th of this year, after a thorough examination, made the following award.

REPORT ACCOMPANYING THE MEDAL.

Excess of praise is hardly possible when speaking of this new and superbly beautiful design, which is intended to meet the demand for a more expensive exterior or cabinet, together with a most superb action. This organ is of most substantial and pleasing proportions, and of a style of finish suitable for any situation. In pleasing balance of proportions, practical utility of form, richness of ornamentation and delicacy of finish, this instrument will not only compare favorably with the best but surpass all organs of any make; while for strength and purity of tone, variety of expression and freedom of action it is far in advance of anything yet produced.

SIR HENRY V. GOULD, Hon. Pres.
Society of Science, Letters and Art, London, Eng.
REV. IRWIN COATES, M.A., Hon. Sec.

This certainly shows that the Musical Bachelors and Doctors of Oxford and Cambridge Universities know something about an organ.

ISSUES ALL APPROVED FORMS OF LIFE POLICIES AND ANNUITIES.
Its Policy enables you to leave an estate that cannot be taken from those you love by any
circumstances. It will secure your wife freedom from those distressing experiences which come
to the destitute. It secures means to continue the education of your children and maintains an
unbroken home for them should you be cut off before they are able to care for themselves. It
secures your business from being mortgaged, as it is so often the case, for want of ready money to
meet the demands that come in the process of forced liquidation of an estate by executors.
ITS ANNUITY BOND WILL PROVIDE A COMFORTABLE LIVING FOR YOUR
OLD AGE.

"Much of the unequalled success of the NORTH AMERICAN LIFE as a Home Institution is to be attributed to its very liberal and varied forms of Insurance, combined with its liberal principles and practices, and especially to its prompt payment of all just and approved claims, upon maturity and completion of proof, a practice introduced here by the Company, which has continued to afford the representatives of deceased Policy-Holders the greatest satisfaction."—SHAREHOLDER.
