GENTLEMEN,—The Asphalt Flooring laid by your firm last year in my stables and coach tonse has given me great satisfaction. It appears to be perfectly durable, does not absorbinide, and is consequently always sweet and clean. Another good feature it possesses is that it never becomes slippery. I do not see how it is possible to have a more satisfactory flooring for stables.

Yours very faithfully, FREDERICK W. STRANGE, M.D. For full particulars and prices apply to
