The Willard—N. J. Perry, B.A. The Neville—E. J. Edgington, B.A. After the distribution of the prizes Rev. Mr. Brooks gave a short address on the importance of evangelical work in England, in which he stated that, although the opponents of Christianity had endeavored to prove that evangelical work was on the decrease, it was not so, as could be proved by the fact that for every missionary sent out to foreign fields there was a call for 40, and gave several instances of this fact.

Mr. Brooks stated that the field for Christian work in England as well as in other countries was constantly increasing, and advised the young men that composed the graduating class of this year, as well as those who will be graduates in future years, to think over the great field for work in heathen countries.

St. George's Society. There was a fair attendance at the meeting of St. George's Society last night.

President F. H. Drayton was in the chair, and Messrs. J. A. Worrall, Q.C., C. Collett and D. S. Briggs were elected life members, and Messrs. C. L. Follmer, James D. Young, H. Kemp and Harold Harding were admitted as members of the society.

A vote of thanks was passed to the rector, choir and churchwardens of St. James' Cathedral, Archdeacon Boddy, Dr. Mockridge and Mr. Schuch for their services at the annual church parade of the society.

Those who assisted at the society's concert were also thanked.

I. P. R. S. The adjourned meeting of the I. P. R. S. was resumed in the library of the Y.M.C.A. last night, with the President, Mr. R. C. Hamilton, in the chair.

Only one new member, Mr. J. H. McLaughlin, was admitted.

Mr. Moon presented his report of the annual dinner, which was held on March 17, and on a motion by Capt. McLaughlin, seconded by Mr. Frank Somers, the report was received and adopted.
