

THE T. EATON CO. (LIMITED)

CANADA'S GREATEST STORE
190 Yonge-st. - Toronto.

190 Yonge-st., Oct. 16, 1895.

Nothing is Too Good for the trade we are after. We sometimes advertise special values in Shoes at less than a dollar, but we don't stop there. The finest American makes are here as well, and all worthy grades in between. Same with everything in the store—we're building business by improving qualities as well as enlarging the stocks.

After awhile we shall be selling the finest goods of every kind to be had anywhere. One grows up to that by easy stages. It's a very easy matter just now to WATCH US GROW.

Shopping By Mail:

Thousands of people all over Canada watch this column closer than anything else in the paper. It tells them what to buy and gives them a chance to save money. The store is practically next door to them, with mail orders bringing us their wants and prompt shipments giving them the goods they need. Clever clerks devote their whole time to answering letters and anticipating the needs of out-of-town customers.

These items are printed for their benefit. City people can come and find out lots of things for themselves, but the thousands away from Toronto are equally interested. Hence these details:

SHOES.
—Ladies' Dongola Kid Oxford Shoes, with thin flexible hand turn and machine sewed soles, fancy or plain, in pointed, medium or wide toes, all widths, sizes 3 to 12, 2 to 4 choice of 300 pairs, regular \$1.50, \$1.25 and \$1 quality, at.....**75**

190 YONGE ST. - TORONTO, ONT.

The Canadian Office and School Furniture Company, Limited.

Preston, Ont., Nov. 26, 1894.

Dear Sir—It is now about three months ago since I first noticed that a cure of my very severe rheumatism by the use of one of your Wilkison Trusses, and now I am fully convinced that the cure is in your hands. I have on several occasions within the last two weeks taken long walks without truss support of any kind, and have every confidence that my rupture, which, as you are aware, was of a very severe description, is now permanently healed, and I can assure you that I feel deeply thankful for the beneficial results. I have already recommended your appliance to several of my friends similarly afflicted. Yours very sincerely,
J. H. MICKLER, Supt.

TREMONT HOUSE (After the Fire) Enlarged, remodeled, and newly furnished throughout. One hundred and twenty rooms. Heated and lighted by electricity. A SITE FOR THE SANITARIUM

While several towns and cities have expressed considerable anxiety to secure the location of the proposed comprehensive sanitarium, the people of Gravenhurst have gone about the matter in the most business-like way and it looks now as if this town stood a fair chance of being selected for the institution. The county of Gravenhurst has agreed to donate \$10,000 in cash, provided the sanitarium is located there. Our neighbors at Burlington Bay have frequently displayed a desire to secure the hospital and the beautiful site on the mountain has been pointed out as being the most suitable in Ontario for the particular purpose. Hamilton, however, offered nothing substantial to induce the gentlemen interested in the project to locate in that city. Apart from financial considerations altogether, we believe Muskoka has the best claim for the sanitarium, inasmuch as it possesses climatic conditions that are especially favorable for the treatment of consumptive patients. A better site in all Ontario than Gravenhurst could be chosen. Besides its pure, bracing atmosphere, the town possesses good railway facilities, has an excellent situation on the water and is but three or four hours distant from Toronto, the centre of population in the province.

The locality that secures the hospital will afford to pay a decent consideration for securing it. The location of a similar sanitarium at Saranac in the Adirondacks has had the effect of developing that province's unknown locality and of causing hundreds of invalids to visit it each year in addition to those who go for treatment at the institution itself. The celebrity that the town of Gravenhurst has already obtained through the publication of its claims in connection with the proposed sanitarium, has caused quite a number of families and invalids to visit the place and several cures have been made. We understand the gentlemen who are interested in establishing the sanitarium are meeting with all the success they anticipated, and it is only a question of a short time until this province will have the advantages of an institution that will be thoroughly well equipped and situated in a healthy climate as the prevailing winds in North America.

WHO WILL START THE RAIL ROLLING?

While everyone admits that something should be done to secure a better system of government for the city of Toronto, no one seems to take upon himself the responsibility of making a movement to secure that object. The experience of the past twenty years proves conclusively that the present system has been an utter failure. If we ever expect to secure a change in the system, some one must make a move towards it and immediately. The present agitation should not be allowed to dwindle away, as it is doing in the course of a few weeks unless immediate action is taken. The opportunity may not arrive again for a long time to come. It is to be hoped that some of our leading citizens will deem the matter of sufficient importance to arouse them to action, with a view of securing a change. Any new system that is devised ought to give to the ratepayers and voters the right of deciding on the general policy upon which the city is to be governed, while to a small and executive board should be entrusted the carrying out of that policy. Certain it is that the remedy is in our own hands and that we have only to elect good men to do the work.

Who is to see Reform done?

Sir, There seems to be a general agreement as to the fact that the administration of our city is in a critical state, and a pretty general agreement in the belief that the chief cause of our troubles is the system of street paving, as well as in our water and drainage. No commercial concern or individual citizen has taken the trouble to do anything to remedy the situation. The only organizing force for the collection and expenditure of money for the improvement of the city is the Board of Public Works, which is a body of men who are not interested in the city's welfare. The remedy is in our own hands and that we have only to elect good men to do the work.

It is for the Government and Legislature to see that the matter is not left to the Board of Public Works.

THE MOLSONS BANK.

ANNUAL MEETING OF THE SHAREHOLDERS HELD MONDAY.

Satisfactory Reports Presented by the Directors, Showing Earnings of over 11 Per Cent.—Mr. J. P. Cleghorn, the New Director.

The fortieth annual general meeting of the shareholders of the Molsons Bank was held in the Board room, Montreal, at 3 o'clock, Monday afternoon. The President, Mr. John H. R. Molson, occupied the chair, and among those present were Messrs. S. H. Ewing, W. M. Ramsay, Henry Archibald, Samuel Finley, William M. Macpherson, Walter N. Evans, E. C. C. Macpherson, David Crawford, James Wilson, Jr., Charles E. Sprague, E. J. Barbeau, R. W. Shepherd, W. J. Witthall and J. Try Davis.

The meeting opened with a prayer by Mr. James Elliott, after Mr. Elliott had read the advertisement convening the meeting, the president called upon Mr. John Crawford and Walter N. Evans to act as scrutineers.

The Annual Report.

The general manager, Mr. F. Wolferstan Thomas, then read the annual report of the directors, as follows:

Gentlemen, The directors of the Molsons Bank beg now to submit to the shareholders the fortieth annual report of the bank for the year ending 30th September, 1895.

After making full provision for bad and doubtful debts the net earnings amount to \$222,827.08. This has been distributed by two semi-annual dividends of 4 per cent, and a bonus of 1 per cent, together \$130,000. The balance, \$92,827.08, added to \$75,000, the amount carried forward at credit of profit and loss account last year, makes a sum of \$167,827.08, from which \$15,000 has been transferred to last year's making it \$1,575,000, leaving \$152,827.08 still at credit of profit and loss account to be carried forward.

All the branches of the bank have been inspected by the directors, and we are again able to testify to the continued efficiency of our system of management.

Since our last meeting we have had to announce the death of our late Vice-President, Mr. R. W. Shepherd. He had been a member of our Board for 22 years, and during that time he had occupied the position of Vice-President. We are sure you will unite with us in the expression of our sincere sympathy to his family, and in the hope that the good work which he brought to bear upon the deliberations of the Board will be continued by his successor. He died at the ripe age of seventy-six, closing an honorable and successful career.

Mr. S. H. Ewing has been chosen to succeed him as Vice-President.
