Resolutions, Resolved and Dissolved

By Christine McGillivray Campbell.

Polly Flinders came in to-day. "What are you making?" she

"Just bread," we said, "and New Year's resolutions. "So'm I," she giggled. "I'll come and break them both with you to-morrow." Flinders. "
"Oh, no, you won't," we protested: resolution?" then, hastily, "Of course you may come to break the bread, but the resolutions "Well, what have you resolved, so she asked. Being a neighbor,

under the sun. "First, I'm going to have a garden." This fair, fat flower that came to us that it was too late to plant seeds, and we would have no time to tend them, anyway. Somebody else found a turned home yesterday after spending a week with her cousins, the Misses Marguerite and Madeline Dicknoether, MRS. E. A. JACKSON, who was last night formally installed in office as worthy matron of Ruth Chapter, O. E. worthy matron o for 1924, succeeding Mrs. Oliver asters to share with me, white and pink asters to lay over one who had loved them-and us. . . We were not telling Polly Flinders this. She would not have heard if we had. She was looking into the cinders, and presently "My first resolution is this. I'm

going to quit talking to some people."
"Oh!" It did not seem wise to say more than "Oh!" "About some things, or rather about some people, I mean. Granny Miller ways. And I'm going to stop her

'But then you made that resolution last year," we objected brutally. (We all had made it). 'More then that. you took a shining board from the side of an orange crate and printed on it with red paint 'Should Satan send you with a spitefu
