

Your Eyes Trouble You?

Then come to London and have a pair of glasses made that will suit you perfectly. Do not trust the care of your eyes to inexperienced opticians and traveling fakirs.

Our specialists have made the care of eyes their specialty for over 15 years, and every lens prescribed by them is ground in our own laboratory, thereby insuring perfection and making mistakes impossible.

The Publisher's Claims Sustained

UNITED STATES COURT OF CLAIMS

The Publishers of Webster's International Dictionary allege that it is, in fact, the popular unabridged thoroughly re-edited in every detail, and vastly enriched in every part, with the purpose of adapting it to meet the larger and severer requirements of another generation.

We are of the opinion that this allegation most clearly and accurately describes the work that has been accomplished and the result that has been reached. The Dictionary, as it now stands, has been thoroughly re-edited in every detail, has been corrected in every part, and is admirably adapted to meet the larger and severer requirements of another generation which demands more of popular philological knowledge than any generation that the world has ever contained.

It is perhaps needless to add that we refer to the dictionary in our judicial work as of the highest authority in accuracy of definition; and that in the future as in the past it will be the source of constant reference.

CHARLES C. NOTT, Chief Justice.
JOHN DAVIS, JUDGE.
ANTHONY J. FELLE, JUDGE.
CHARLES B. BOWEN, JUDGE.

WHAT ARE THEY WORTH?

Try and Answer This Yourself.

In dollars and cents what is the worth of the brawn of your arm; what is the value of the staying power that permits continuous labor—what are they worth to you? Suppose you had something so foolish as to reduce your strength, vitality or judgment one half, and it were impossible to get them back—how much would you pay to regain the lost portion?

When you let yourself run down, you reduce yourself for success in life—if sleeplessness comes, you score lower still—should appetite or digestion fail, you are stared in the face by physical bankruptcy.

Don't let it go so far, take Ferrozone, it has cured thousands and it will cure you; it builds up bodily strength, makes muscles like steel, replaces spring tiredness by energy and new life. Ferrozone rebuilds sick folks because it contains the strengthening elements that every run down system requires.

Especially before the hot weather comes, everyone needs a purifying tonic—Ferrozone fills the bill exactly—nothing known that juvenates and uplifts so fast.

At once the appetite improves. You rest well and arise next morning feeling fit and fine.

Headaches disappear, weakness give way to the vigor that only Ferrozone can supply. Try it, results are guaranteed, 50c. per box or six for \$2.50 at all dealers.
