Pettigrew-Kerr

At Biggar, Sask., on Oct. 28th, in the presence of a few relatives at the Methodist Church, Miss Margaret Elizabeth Kerr was united in happy wedlock to Charles Edward Pettigrew. Both parties are highly respected young people and have a host of friends who wish them many joys and a happy wedded life.

It is understood that it is the intention of Adelaide Township Council to make a substantial grant, probably \$2000, to the Patriotic Fund.

Toronto		
Toronto, Nov. 24.—Receipts at the Union stockyards to-day were 78 cars, with 964 cattle, 74 calves, 1,727 hogs and 1,158 sheep and lambs.		

There was a lighter run of cattle offering to-day and but few choice butcher cattle among them. There was not such a brisk demand as in yesterday's market, but a fairly good clean-up at prices steady with yesterday's advance for butcher cattle. There was some inquiry for the heavy steers and feeders, but for the lighter class of thin stockers there was a very poor demand and prices in this class are decidedly low just now. Steady market for canners and cutters. Calves good. Veal steady. Fair demand for good milk cows. Lambs are in good demand and the market is strong and higher, choice light-weight lambs selling up to \$8.40. Sheep steady to a shade firmer. WHITE AS A GHOST

Pale or Sallow Cheeks One of the First Signs of Anaemia

Pale and sallow cheeks, with blanched lips and gums, and dark circles under the eyes, are the first signs that anaemia has begun its deadly progress. This first warning is followed by great weakness and breathlessness after any exertion. You grow melancholy, have frequent headaches, awake in the morning feeling tired. You become morbid and nervous, starting at the slightest noise, and your heart palpitates violently even on going up-stairs. Most girls from fourteen to twenty suffer from anaemia. Neglect to supply new blood to the languishing, indeed it is an open invitation to that most hopeless of all diseases, consumption.

The new, rich blood that cures anaemia and gives new health and strength is readily created by Dr. Williams' Pink Pills. That is why these pills have cured more cases of bloodlessness and blood disorders than any other medicine. They have made thousands of girls and women strong, well and rosy, with bright eyes and new energy, just because they nourish the body with the new, rich, red blood of health. Here is a typical instance. Miss Laura Dempsey, Auburn, N. Y., says: "For several months I was in a very bad state of health, with many of the symptoms that accompany anaemia. I was pale and bloodless, had terrible headaches, would be breathless at the least exertion. Having tried a number of medicines without relief I naturally became discouraged and began to fear that I was doomed to continued illness. At this stage a friend who had herself been benefitted by Dr. Williams' Pink Pills urged me to try them. I did so and thanks to the pills I am now enjoying the best of health, and feel that I cannot recommend this splendid medicine too highly."

Other weak and ailing girls can also obtain new health and strength through the use of Dr. Williams' Pink Pills. You can get these pills through any medicine dealer, or they will be sent by mail post paid at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

The members of the Napier branch were present and gave a most pleasing and instructive program. After singing "The Maple Leaf" roll call was answered by favorite quotations. Excellent papers on "The Life of Florence Nightingale" by Miss Lu Ma Men; "Getting the most out of life" by Mrs. Gardiner, and "Training up the parents in the way they should go" by Miss Anna Bowie, were given and very much enjoyed. Miss Joan Beer sang in splendid voice. "What would the rose say," and solos; "Just across the bridge" by Mrs. G. Denning, and "Love me as the Ivy loves the old oak tree" by Miss Irene Gough, were sung very acceptably. A splendid reading "The bravest battle ever fought" was given by Miss Mable Bowie. After singing "Tipperary" and the "National Anthem," this part of the program was brought to a close. The hostess then served a very dainty lunch. Before the gathering dispersed the president of the Napier branch tendered a vote of thanks to the hostess and the Brooke ladies for their kind hospitality. The next meeting will be held on the second Thursday in December, at the home of Mrs. Bella McIntyre, tenth line. A good program is being prepared.
