

Prints, Gingham and Wash Goods

SPRING, 1916

The most complete range of these goods is now ready for your inspection. There never was a season when early buying and adequate buying was so important as now. Do not delay the buying of these much needed wash goods, when the prices are sure to be higher, the quality inferior and the assortment smaller.

Buying Dress Goods and Silks is like Banking Money

The prospect of future deliveries of these goods grows more acute. The wool market is still soaring and dyes are almost out of the question. We are fortunate in having secured deliveries on the following lines and would urge early buying.

TONIC TREATMENT FOR THE STOMACH

The Modern Method is Most Successful in Treating Indigestion

The old-fashioned methods of treating indigestion and stomach troubles are being discarded. The trouble with the old-fashioned methods was that when the treatment was stopped the trouble returned in an aggravated form. The modern method of curing indigestion and other stomach troubles is to tone up the stomach to do nature's work. Every step towards recovery is a step gained, not to be lost again. The recovery of the appetite, the disappearance of pain, the absence of gas,—are all steps on the road to health that those who have tried the tonic treatment remember distinctly. Dr. Williams Pink Pills are a blood-builder, tonic medicine, every constituent of which is helpful in building up the digestive organs, and is therefore the very best remedy for chronic cases of stomach trouble. Thousands of cases like the following prove how successful this treatment is:—Miss Amy Browning, Cornith, Ont., says:—"I have found such great benefit from Dr. Williams Pink Pills that I would be ungrateful if I did not publicly say a good word in their favor. I was badly run down and my stomach was in a very bad condition. All food distressed me, and left me disinclined to eat. I suffered from nausea and dizziness and frequent sick headaches, and this was further aggravated by pains in the back and sides. I was in this condition for several years, and although I had got medicine from several doctors it did not help me. Then I heard of Dr. Williams Pink Pills and began taking them. I am glad to say that they soon helped me, and now I am as well as ever; can eat all kinds of food, with relish, and have not an ache or pain."

You can get these Pills through any dealer in medicine or by mail, post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

Four thoroughbred dogs were poisoned in Petrolia last week. Some person left strychnine for them in Victoria Park.
