NEED OF NATIVE HELPERS.

Regarding native helpers, how I do wish I could say, "Yes, we have them in view," as there is nothing we more need. It would not be wise to bring one from farther down the river than Chung-king, on account of the difference of the language, and when I came back after the riot, I enquired at every place to see if it were possible to obtain one, but each mission was feeling the same need. At present, I can see no prospect but by training them our-
